

OUTLAW CAMP LONG RANGE

A REPORT FROM THE õGRASSY KNOLLö

After raining all night Friday, Saturday morning was cloudy but the rain stayed away. As always, if you tell a bunch of cowboys you are going to have a shoot, regardless of the weather somebody is going to show up. With High Card, myself and four other cowboys the firing line was made hot as we pointed the guns down range the shoot was on. Everyone took turns shooting sighting shots, admiring each others guns and engaging in light hearted talk. Then it came time to get down to business and õshoot for the bookö.

Lever Action Pistol Cartridge 100 yards - Sundown Duke took the class hands down with 5 hits out of 5 shotsí Way to go Sundown. Deacon Adams and Bucky had a shoot off for second place with Bucky winning and Deacon Adams coming in third, followed by Windslinger in forth.

Lever Action Rifle Cartridge 200 yards- High Card Kay took the Ladies Class with no competitors . We had a shoot off for first place between Deacon Adams, Sundown Duke and Bucky all hitting 2 out of 5. With all spotter scopes glued on the targets Sundown Duke came in first, Deacon Adams second and Bucky third. Forth place was tied between Windslinger and me, Some how we both missed all 5 shoots. Windslinger didnø say much about it, but my story is õItø my wifeø gun and she wonø let me shoot itö YEP THATø MY STORY AND IøM STICKING TO IT.

Single Shot 200 yards- One more time, High Card Kay won the Ladies Class. Guys bring you wives, daughters and even a girl friend. Girl like to shoot too!!! Again we had a shoot off for first place between Sundown Duke, Deacon Adams (who was shooting Sundown Dukes Shiloh Sharps) and me. We all hit 5 out of 5 targets and the tie breaker was a 10ö disk at 200 yards. After all was said and done, Deacon Adams took first, Sundown Duke took second and I went to third. A little advise to Sundown, õDonø loan your gun to someone who is going to shoot against youö.

Thanks to everyone who came. It was a small crowd, but we had a big timeí ..

Happy trails, see ya next month
