The Buffalo Hunt was a great way to end the season. The bison burgers were great as well as the fellowship afterwards. Thanks again to Ozark Outlaw and Ozark Red for letting us set up the range and use it all year. Thanks also to everyone who shot with us this year. We hope to restart long range shooting next April or May. I'll keep everyone posted.

Have fun and be safe thru the holidays.

Till then "Keep the wind in your face and the sun at your back"
