# OUTLAW CAMP BULLETIN

---

October 16, 2012

“Mayhem on the Mountain 2012” is in the books. Time to take a little rest break and evaluate the result.

**Thanks first to the shooters who elected to attend our shoot. We appreciate you more than you can know.**

To those who helped get this whole thing planned and executed, I simply can't thank you enough. Arkansas Bell and Arkansas Harper, who contribute so much both in time and expense. Arkansas Drifter, who quietly readies the range all year. Arnetta and her group of volunteers who made certain our meals were on time and abundant. The ladies who provided desserts, and helped in the serving lines. Claude and Catherine Cruthis for the awesome cowboy beans on Friday night and Blackjack Rodes and Just Enuff Jean for the burgers and brats to top them off. Sister Sundance, who came over to do our scoring. MVV who loaned us a few timers and True Grit Single Action Shooters who had more here available if needed. Chickalah Slim who brings us a golf cart each year in case it is needed. (The one he had here is for sale by the way, as well as others at Golden Boy Golf Carts in Russellville, AR). Also to those of our members who came to work on our construction and repair projects. Moon Dance Kid and High Card Kay for their help with the awards. Thanks to my family, who were here to help in any way they could from setting up sound systems to helping with our cowboy Drive-by event, and run errands. **Mark**, of course, who **did some great photos for us**. To others who I might have failed to name. Thanks!

To the shooters who came early, Red River Ralph, Arkansas Harper, Riley Roy, Arkansas Drifter, and Cree Vicar Dave, to help with the last minute details in getting ready. To the shooters who stayed late to help get the heavy items put back up, S. C. Brady, Arkansas Drifter, Wind Slinger and especially to Cree Vicar Dave, who was here all day Monday and Tuesday after the shoot to help me get things torn down and back to some semblance of normal.

The scores for “Mayhem on the Mountain 2012” have been sent via e-mail to those who were here. They are also attached here. Also attached is a condensed list of category winners, and side match winners. **The link to Marks photos is <http://markwill.smugmug.com/>**

**Congratulations to the five who shot a clean match.** Dingus Dan Legree, Arkansas Drifter, Gunz Brokus, Rowdy Bob, who did it shooting Frontiersman and the only lady shooter to shoot it clean Rip 'A' Lot.

The shooting season winds down and we look forward to the Southwest Regional at Badlands Bar Three as our last big shooting event of the year. After that it will be loading shells, cleaning and repairing shooting gear, local and nearby club shoots and deciding which shoots we will be able to make next year. There are still a lot of shoots this year so if you plan on shooting away from home travel safely and
