

OUTLAW CAMP

# OUTLAW CAMP BULLETIN

December 11, 2011

---

As the year winds down and days cool down, we all start thinking about family, the holiday season and just staying warm. It was a little cool when we started shooting Saturday but the sun was out and there was almost no wind so it was a **great day to shoot**. We had a fire going down at the pavilion, so there was a place you could warm up a little if need be. We shot four stages -went for lunch, (chili) and back down for two more stages. Several shooters had some minor problems but we had a lot of clean stages shot, in fact we had four clean matches. Lead Bane, Strongbox, Mo Brian and Ozark Outlaw all shot clean. Other clean stages were shot by Stump Man, Short Tree, 5; Arkansas Harper, Doc Fillem, Riley Roy, 4; Tombstone Shadow, Mustang Toni, 3; Arkansas Bell, 2; Chickalah Slim, 1;

We are happy to report that **Mustang Moore** continues to do very well after his knee replacement surgery last week. Claude Cruthis, Wild Big Bill's father, also is doing very well following his surgery. As you may remember Wild Big Bill's parents were the folks who fixed that pot of award winning beans for us at 'Mayhem on the Mountain'.

December has a fifth Saturday so plan on a special "Fun Fifth Saturday" shoot on New Year's Eve right here at Outlaw Camp. **Look for some different and fun stages.**

The only change in the rules as a result of the **Territorial Governors Convention** in Las Vegas concerns being eligible for awards if you do not shoot all the match. ***Any shooter that does not finish two or more stages in a match is not eligible for any main match awards.*** Everything else failed to pass. I will attach a summary of what went on to this newsletter. You will notice there are some rules clarifications by the RO committee.

**Annual dues** are due and payable January 1<sup>st</sup> 2012. Since we are an NRA affiliated club you need to give us your NRA number as well as your SASS number when renewing. Dues will remain at \$25.00.

As we gear up for another year of shooting keep in mind that we have once again committed to hosting the Arkansas State Championship Black Powder Shootout to be held in conjunction with our annual shoot "**Mayhem on the Mountain**". **Dates have been set as October 12, 13 and 14. Please put it on your calendar and get the word out.** We look forward to having another great shoot. If you have any ideas about something special to add to our shoot let us know!

January 14 will be our next regular shoot day and we will once again have our **complimentary brunch** starting about 10:00 a.m. with **awards for 2011** and shoot will follow.

I know that we all have friends who love to shoot so this year lets all make a special effort to get more folks involved in cowboy action shooting right here at Outlaw Camp.

Red and I want to wish you all a very **Merry Christmas and a happy Holiday Season.**

Let's keep those who are facing health problems among us in our thoughts and prayers and remember to.....
