# OUTLAW CAMP BULLETIN

---

February 8, 2014

We finally had to call one! Due to the inclement weather on Saturday Feb. 8, 2014 we cancelled our regular shoot. It was really cold! Actually we have shot in colder weather but there were a lot of icy spots on the range and the last 150 yards of the road were impassable to two wheel drive vehicles. After we cancelled the shoot we got an additional two and one half inches of snow which covered the ice patches and made walking extremely dangerous.

Think warmer weather!

Attached are a few pictures I took about 10:00 on shoot day! Temperature was around 20 degrees.

We inadvertently sent out some bad information in our last newsletter. **A dropped round is a dead round**, it may not be picked up and used, the exception being if it falls back from where it came. **(This has always been the rule and it has not changed)**. Picking up the round is a 10 second procedural. Any target hit with that round is counted as a hit or miss as the case may be. Please check the rule books! The rule is there because some fear that the shooter will lose muzzle control if they start trying to pick up a dropped round.

We always try to have a little something special for the ladies at our February shoot since it is close to Valentine's Day so I want to remind everyone to remember your Valentine on Friday. Looks like the weather should warm up and we will have a full moon the 14<sup>th</sup>.

Judge Parkers Marshals will be hosting, "**Hell on the Border**" and the Arkansas State Wild Bunch Match March 14-16 so get your entry in if you plan to attend. For more info contact Naildriver at [naildriver2355@gmail.com](mailto:naildriver2355@gmail.com)

Red and I look forward to seeing everyone in March, until then just remember to .....
