

OUTLAW CAMP BULLETIN

April 8, 2011

The great weather just keeps on.

We have several who have asked about shooting long range events here so **Moon Dance Kid** has agreed to take that project on. This from Moon Dance:

*Howdy everyone – **Cowboy Long Range is coming in May.** It will be held on the 3rd Saturday of every month. Safety meeting will be at 9:45. Shooting will start at 10:00 and end around 1:00. The categories will be lever action pistol cal. At 100 yards, lever action rifle cal and single shot will be at shot at 200 yards. Please bring cross sticks, lawn chairs and spotter scores if you have them. If anyone has any question please give me a call: Moon Dance Kid aka Ken Richardson 501-362-7254*

Caney Creek Annie didn't shoot, but she very kindly set up lunch and cleaned up the mess. Red really appreciated that! (Arnetta and Tombstone were honoring a grandchild's birthday.)

We had **three new shooters** this weekend: Buckeye Bob AKA Ken Zahrt, Richard Schneider who we gave the temporary alias of Richard Wright, and Cheyenne Guns AKA Ronald Woodson. Ronald has been up to watch, and help a few times but today was his first match in quite some time. Unfortunately he had some trouble with a new shotgun. It's always a struggle at first trying to get all the guns and gear you need together and can be frustrating at first; just hang in there and be sure you are safe and have a good time. I think you will find others willing to help. We all started out the same way. I remember my first shoot when Blackjack Roads had to loan me a cross draw holster. Let us know if we can be of help, and we hope to see you back.

Back with us after not shooting for awhile, was Jo Jo Pepper AKA Joe Smith. With him was his wife Cindy. They have moved back to this area and hope to be shooting with us on a regular basis. We also want to welcome him as a new member. Other **new members** to Outlaw Camp are Arkansas Harper, Arkansas Bell and Millican.

Millican AKA Joel Dunlap is off to a fast start. Having only recently started Cowboy Action Shooting, he shot his first **clean match**. Way to go! Buster also managed a clean match. Congratulations! Other clean stages were shot by: Red River Ralph, Coyote Creek, 1; Deadeye Duke, High Card Kay, Ozark Red, Jo Jo Pepper, Short Tree, Arkansas Bell, Smokey Joe Smith, Sun Down Duke, Wind Slinger, 2; Moon Dance Kid, Stump Man, Arkansas Harper, Sunny Girl, 3; Wild Big Bill, Buckeye Bob, William Money, 4; Lefty Ed, Ozark Outlaw, Riley Roy, 5. (Remember that "P"s keep you from having a clean match.) Some of you may not know that a clean match here gets you a "Fabulous Red Jewel!"

If you were not here you missed getting to see **the new addition to the range**, The "High Card" Hotel and Social Club. This addition is due to the work of our construction foreman, Moon Dance Kid, who did our materials list and supplied the majority of the tools and some materials, Arkansas Drifter who helped by donating some of the materials and his expertise (he also rebuilt and repainted the swing), Millican for bringing his air compressor and expertise and Mo Brian, Lefty Ed, Strongbox Bill and I for doing what we could. Lefty Ed also repainted a couple of the Tombstones in the cemetery. Oh yes and Ozark Red for painting the sign. I hope I didn't hurt anyone's feelings for not announcing a workday but this group is retired and relatively close-by so it all sort of fell together. Don't worry- other projects will come up. If you have any ideas on things to improve the range let us know, particularly if you have the expertise to see it through.

We also figured out how to have a stage that allows a little more movement downrange. I think everyone enjoyed that stage and being able to shoot some “flip the bird” targets this time. Everyone seemed to like the “Flying Bobcat” at our last “Fun Day shoot” so we hope to add a “Charging Buffalo” to this month’s Fun Fifth Saturday shoot.

Don’t forget **April 30th is a fifth Saturday** and as usual we will shoot at or around our moving, falling, swinging and flying targets. Bring plenty of ammo.

Our regular shoot in May will be six more stages inspired by stages at 2011’s, “Winter Range”.

By the time you get this the annual shoot at South Fork River Regulators, “Last Stand at Flint Hill” will be about to start. It looks like it will be a nice weekend so it isn’t too late to call. The Arkansas State Shoot is coming up June 3 – 5, hosted by the True Grit Single Action Shooters and “Shoot’n in the Shade” hosted by the Mountain Valley Vigilantes will be over the Labor Day weekend. Try to get your entry in early as the number of shooters is limited.

Happy Easter!

Hope to see you all soon and remember to.....

“KEEP ‘EM POINTED DOWNRANGE!”
