

# OUTLAW CAMP BULLETIN

---

April 12, 2014

I think the line at the cemetery was, "I am smooth and fast". Well while the rest of us were talking about smooth and fast, Nickel Bill was quietly shooting smooth and fast. Congratulations to you on being the top shooter!

Several were off to shoot the Louisiana State shoot and I hope they did well. We had a great day to shoot at Outlaw Camp and I think everyone had fun shooting some of the sequences we found at "Winter Range" this year.

There were three clean matches shot this month: Dingus Dan Legree, Ozark Outlaw and Wind Slinger. Other clean stages were shot by Nickel Bill, 5; Arkansas Harper, Mustang Moore, Sandia, Just Enuff Jean, Strongbox, Wyoming Rattler, 4; Arkansas Bell, Black Jack Rodes, Jo Jo Pepper, Pepper Pete, Backshooter, Badd Dawg Cowboy, Montana Vigilante, Sweet Water Sue, Ozark Red, 3; Doc Fillem', Chickaleh Slim, Nichols Creek, Red River Ralph, Cajun Bandit, 2.

We had a new shooter this month - "Salty Pete" aka David Von Burg from Jonesboro. He came over with Jo Jo Pepper. We noticed that his SASS number was 100242. Also back was Cajun Bandit who was having a good time despite having some continuing rifle problems. Welcome and we hope to see everyone back!

I want to thank Pepper Pete and Sandia Z for taking care of things at the Fun Fifth Saturday Shoot in March. I think everyone had a good time! Thanks are also due to those who help with setting up and cleaning up the range for the shoot each month. Arkansas Harper and Arkansas Bell always put in that extra effort. Thanks also to Ozark Red for not shooting a couple of stages so we could all have a little lunch break. See, Arnetta, we miss you when you are not here.

Our cooperation is getting better for picking up brass after the shoot and placing it on a loading or unloading table so shooters may retrieve their brass. Thanks!

From time to time we have shooters who have had surgery, or have some health problem that may limit their mobility or whatever. **It has always been our goal to allow everyone who wants to shoot, to safely shoot however and whatever they can.** This may mean that due to some reason they may not be able to safely shoot the shotgun or any long gun; or movement from one shooting position to the next may be difficult. Perhaps you can only shoot one revolver with one hand. **We don't want you to sit home. Come on out and shoot!** We want to see you! Just **let us know at registration that you are shooting the WOUNDED COWBOY CATEGORY.** We will try to do whatever it takes to see that you enjoy the day!

Badd Dawg Cowboy has had a couple of articles he wrote on reloading published in the "Cowboy Chronicle" in the last couple of issues. Check it out.

Remember we have another "Fun Fifth Saturday" shoot coming up May 31. This one may require the use of that thing that sticks up on the end of the barrel.

Spring is here, (I think) and there are a lot of annual matches coming up around the country, so if you are attending one, shoot straight, shoot fast, and be safe!!!! See you all next month!

Just.....
