

OUTLAW CAMP BULLETIN

June 8, 2013

It's always a great day when cowboy shooters have targets in front of them and friends behind them!

Outlaw Camp Badges will be ordered on June 17th. If you wish to have an Outlaw Camp Badge you need to get your check in for \$107.00 by June 15th. Once again we need your check, your alias and sass number as you wish it to appear on the badge. If you need more information call me at 501-362-2963.

I continue to be plagued with rifle problems but a lot of other folks seemed to be having gun problems this weekend. It was still a great day to shoot and everyone seemed to like our earlier start time. I think everyone was through before 1:00 o'clock. A few shooters were not aware of the earlier summer start time so we got started about 30 minutes late, otherwise we would have finished even sooner. The scores were printed about five minutes after the last round had gone downrange and were available for viewing to those who were interested in seeing them. Several of us went out to eat lunch at a local Mexican Restaurant after picking up a little.

June has five Saturdays so we will be having our "Fun Fifth Saturday Shoot" June 29th. That's when we shoot moving targets and can shoot any "category" or Non-category, or switch between stages. Some new shooters here may not know that we give year-end recognition to participants, using their best six match scores, in the same category – Fun Fifth doesn't count. Remember shooter meeting at 9:00 AM for the summer.

Choctaw Slim was a guest shooter from Texas – he invited all to visit where he shoots near Orange, Texas. Haskell Rascal (Tony Gober) from near Alexander, was a brand new shooter. Welcome to Outlaw Camp. Haskell Rascal found Simon Slick's regulator badge which had been lost about two months ago. Simon was the first Regulator in Arkansas, so we were happy that the badge was found.

Several of our shooters are off shooting here and there and shooting out of state. We miss you but we hear that all are representing Arkansas quite well.

We had three clean matches this month. Congratulations to Mo Brian, Sundown Duke and Dingus Dan Legree. Clean stages were also shot by Tombstone Shadow, Ozark Red, Strongbox, 5; Choctaw Slim, Pepper Pete, Arkansas Drifter, Riley Roy, Millican, Montana Vigilante, 4; Ozark Outlaw, Wind Slinger, Mustang Moore, Sandia, Lefty Ed, Rattler Joe, Buckshot Dobbs, Haskell Rascal, 3; Red River Ralph, Badd Dawg Jordan, 2; Badd Dawg Cowboy, Wyoming Rattler, Rooster Nate, 1;

The White River Gang in Mountain Home Arkansas will be hosting the Arkansas State Black Powder Championship the third weekend in October. Smokeless shooters are also welcome and encouraged to attend. They have made available to Outlaw Camp a free entry to do with as we please. We plan to have a drawing to give this free entry away at our regular July shoot, July 13. You do not have to be present to win but you must let us know that you want your name entered. More information about this shoot is available on their web-site.

Judge Parker's Marshalls will be hosting their first shoot, "Hell on the Border" July 20 and 21.

Shootin' in the Shade, the Arkansas State Championship will be Labor Day weekend and they are already over half full, so if you want to attend you had best get that entry in.

Shoot often, shoot fast, shoot straight and always.....

We were all happy to see Martha Moore looking good following her recent illness. How can you look that good after putting up with Mustang Moore all those years.
