OUTLAW CAMP BULLETIN

September 8, 2012

After the summer heat it was a pleasure to shoot with the temperature in the 70's.

We want to welcome Pepper Pete and Sandia, AKA Vic and Zane Whiley to Outlaw Camp. It was Sandia's first time to shoot a match and she did a great job. She even took having some real trouble with her rifle on stage three in stride.

No clean matches this month but some were close. Clean stages were shot by Tombstone Shadow, Wild Big Bill, Arkansas Drifter, Dingus Dan Legree, Mustang Moore, Ozark Outlaw, Wind Slinger, 5; Mo Brian, Bulldog McGraw, Short Tree, 4; Stump Man, Lefty Ed, Ozark Red, Sweet Water Sue, Cheeka Bow Wow, Riley Roy, Millican, Sundown Duke, Pepper Pete, 3; Red River Ralph, 1. (Just think, probably, only one miss out of 144 shots, if you have 5 clean stages!) We are happy to see more and more red and green "jewels".

Another fifth Saturday rolls around this month, **September 29**, so mark your calendar for another 'Fun Fifth Saturday' shoot.

Long Range shoot at Outlaw Camp for September 15 has been cancelled. Some of the **Long Range** shooters are planning a practice shoot **immediately following the Fun Fifth Saturday shoot on September 29th**. If you are interested in Long Range bring your rifle and be here.

Just a word about marking brass. During the course of a shoot some brass ends up in front of the firing line and has to be retrieved after the shooting is over for the day. Some shooters go to extra trouble to mark their brass so it can be identified, and are understandably a little upset when they find it has disappeared when they try to find it after the shooting is over. If you are picking up brass and find some that is not your caliber or not marked as yours, please, place it on the unloading table at that stage so it may be found by it's owner.

There is a lot of work to do to get ready for another great "**Mayhem on the Mountain**" and we will need your help and support. Get those entries in!

If you are interested in taking the **RO2 course** we will offer it **at Outlaw Camp** on Thursday at 1:00 October 11, prior to Mayhem on the Mountain. **You must let me know if plan to attend.**

There are a lot of shoots in September -so if you are traveling, shoot safe, shoot fast, shoot straight and remember to always.....
