OUTLAW CAMP BULLETIN

July 14, 2012

Congratulations to Millican and Moon Dance Kid for shooting a clean match at our **Fun Fifth** Saturday shoot June 30.

We knew it was supposed to be a hot day so we decided to shoot in small posses and try to get our six stages shot before lunch. It worked out great as the temperature on the range just hit the century mark as we finished up the last stage. Lunch in the Air Conditioning was nice.

We had two new shooters to Outlaw Camp and we certainly want to welcome them, Ron Cline AKA Kodiak Bandit and his son Nolan Cline AKA Sgt. Hollister. They have recently moved to our area and we hope to see them regularly. Sgt. Hollister recently finished fifth in his category at EOT. I think we sort of threw them a curve with our moving targets on fun day but they did very well. Sgt. Hollister was finally warming up when he shot his last stage where the targets were all stationary. Shooting with posse two his last stage was the Plow, check his score! It should be fun to watch this young man continue to improve.

We continue to get entries in for "**Mayhem on the Mountain**", it should be a fun shoot so get your entry in ASAP in order to help us plan. We are planning to have our **Cowboy Drive-by** event again as well as a **Gatling Gun Shoot-out** and perhaps a new twist or two. Formal confirmations for entrants and the schedule of events should be posted soon. Entry forms may be downloaded from our website at www.outlawcamp.com on the calendar page.

Our July shoot had a little nicer weather with temps in the 80's and overcast skies. We shot four stages prior to our lunch break and finished up in short order. Thanks to those who helped put up our new barriers to try and help keep down some lead spatter. As always thanks to those who helped with put-up and clean-up.

Congratulations to Wild Big Bill on being the first to pick up his **second emerald pin** here at Outlaw Camp. This signifies that he has shot 12 clean matches here.

Congratulations to those who managed a **clean match**, Mustang Moore, High Card Kay, Wild Big Bill, and Ozark Outlaw . **Clean stages** were shot by Sundown Duke, Tombstone Shadow, Moon Dance Kid, Riley Roy, Rowdy Bob, 5; Arkansas Drifter, Wind Slinger, 4; Arkansas Tom, Montana Vigilante, Short Tree, Bulldog McGraw, Arkansas Harper, Wyoming Rattler, Missouri Plowboy, 3; Stumpman, Dingus Dan Legree, Cheeka Bow Wow, 2; Back Shooter, Blackwater Bruce, Mustang Toni, Caney Creek Annie, Arkansas Bell, 1;

Shooting at Outlaw Camp for the **first time** were Blackwater Bruce AKA Bruce Partridge from the Arkansas Leadslingers and Arkansas Tom AKA Tom Mahoney from the White River Gang. You cowboys are always welcome!

We missed some of our regulars due to **health concerns**. Strongbox is dodging the heat for now and Mo Brian was here but he also is staying out of the heat for awhile. It seems that we have several out for new knees, Deacon Adams, Just Enuff Jean, and for various other new parts. Several are going in for some surgery in the next few weeks, Black Jack Rodes, Mo Plowboy and perhaps others. Keep all these cowboys and cowgirls in mind. I also have had some recent problems but with a few medication changes I am managing to make it just fine. (Better living through chemistry I suppose).

Thanks to Bulldog McGraw and Rowdy Bob for taking over most of the timer duties for posse one.

Bulldog McGraw informs us that **Shootin' in the Shade** is filled and he has a waiting list. If you did not get your entry in on time contact him about being placed on the waiting list if you wish to shoot the Arkansas State Championship.

I know that we all get in a hurry sometimes when the last person shoots a stage and we are all ready to move on. Let's not forget that this last shooter on the posse also needs time to unload their firearms and get ready to shoot the next stage. Please **don't forget the last shooter!** Let's make sure that we give them adequate attention at the unloading table and let them get their gear put up and are present for the reading of the next stage. Remember that they were probably busy helping out the posse while everyone else was shooting and that may be why they are the last shooter. Someone has to be last!

True Grit Single Action Shooters has for many years held their regular monthly club shoots on the fourth Sunday. Well, times change so they are "tweaking" their schedule to **add Saturday shooting also**. August will be the first time they will do so. They will shoot on Saturday August the 25 and also on their regular day, Sunday August 26. Shooting times to remain the same, shooter meeting 9:45 AM and shoot at 10:00. September dates

are Saturday the 22 and Sunday the 23. Other "tweaks" may be made but that is it for now. You can check their web-site.

Some interest has been shown in holding **RO1 and RO2 classes** again. Doing both classes in one day is a pretty good chore so we have decided to try and divide it up so that perhaps we can do RO1 at Mountain Valley prior to "Shootin' in the Shade" and RO2 at Outlaw Camp prior to "Mayhem on the Mountain". If you have not already contacted me, please contact me or Bulldog McGraw if you are interested. **All new shooters need to attend the RO1 class as soon as possible.**

Summer is here. Get out and shoot! Just remember to **start off the day with** plenty of liquid, **water, Gatorade, etc.** If you wait until you feel thirsty to drink you have waited too late!

Time to get this out, Red and I are going to seek some relief from this heat at a higher elevation somewhere west of here for a few days. Till we meet again.....

KEEP 'EM POINTED DOWNRANGE!
