

# Outlaw Camp Bulletin

September 10, 2016

Congratulations to all our shooters who came away with an award from “Smokin’ Guns at Rabbit Ridge”. The Fourth Saturday Cowboys here at Outlaw Camp had cancelled their shoot due to the numbers signed up for that match. A makeup match will be announced later.

Congratulations also to those with a clean match at our 6-10-17 shoot. They were Arkansas Harper, Lefty Ed, Mustang Toni, (who did it through all that smoke), and Sundown Duke. Sundown Duke hasn’t been able to shoot with us for a while but came back in good form. Several of our members attended the Arkansas Leadslingers match, I hope they all did well! This is a busy time of year and we have several who will be heading out to “End of Trail” in the next couple of weeks so good luck and safe travels to them.

Our Summer schedule started Saturday and continues through August. We start at 9:00 and shoot six stages straight through. We had two posse’s Saturday and despite starting a little late we were still finished before 12:30. Relaxed dress code is in effect, hats and appropriate footwear mandatory. Bring a snack if you need it!

**Its’ official! Outlaw Camp has been awarded the Arkansas State Black Powder Championship for 2018. This will be a return of “Mayhem on the Mountain” to be held the second weekend in October, that is Oct. 12thru14-2018.** Not only will we have the Black Powder Shootout but, (as in years past), will also offer all SASS smokeless categories. Work has already begun to insure this will be a great shoot, so mark your calendar and spread the word!

Work days. There is still a lot to do at the range. We need to finish up the plumbing and electrical in the new rest rooms and complete the kitchen in Madam Orr’s. There will be painting to do later but first we need to do the basics. We don’t need a lot of people but if you have special skills and knowledge of plumbing and electrical we can surely use you. We have tentatively set June 21 thru 23 Wed. thru Fri. for our next workdays. This will be the three days prior to our 4<sup>th</sup> Sat. shoot in June. If you can do the electrical and/or the plumbing and can come at another time, please let me know. Thanks to Mace Bishop and Cornbread Dan for their contributions to the restrooms. You may have noticed that other little things are being done to spruce up the range. Thanks to Arkansas Harper, Arkansas Bell, Pepper Pete and Sandia Z, Tombstone Shadow and Arnetta as well as the 4<sup>th</sup> Saturday Outlaws and others who have made special contributions. If you are interested in taking over a stage also let me know. Arkansas Harper has taken on High card and the Mercantile, Pepper Pete has taken on the Dentist and has done some on the

Campfire, while Tombstone Shadow is considering the Cemetery and the 4<sup>th</sup> Sat. cowboys have provided a new swing at that stage.

You may have noticed that huge pipe lying in the powerline right of way when you arrived at the shoot Saturday, well that is our new culvert. We are tired of worrying about our road washing out so we are going to 'fix' it. As soon as the creek slows down and dries out a little we hope to have it installed after doing a little reshaping to the creek. Work should take two or three days to complete and shouldn't affect our shooting schedule.

"Shootin' in the Shade" is just around the corner so get those entries in for the Arkansas State Championship. That's Labor Day weekend Aug 31-Sep. 3

July has five Saturdays so that is an extra shoot at Outlaw Camp!

That's about all I have this time. Till I see you again just.....
