

# Outlaw Camp Bulletin August 2008

You couldn't ask for a better day to shoot in Arkansas in August. We broke for lunch at 12:30 after four stages- it was **82 degrees** on the range. Sorry if you missed it.

Welcome, one new shooter- Code Man, Wyoming Rattler's grandson who had a pretty good day for his first time out. After we were all done and winding down we had another visitor, Sweetwater Mobeetie and his soon to be son-in-law came up to practice a little.

Also welcome to a **new member**, **J Bar** out of Missouri, he has been down to shoot with us some and wanted to join up; so welcome from all of us here at Outlaw Camp.

We usually shoot the fifth Saturday when they come around but due to the way the calendar fell this year, we cancelled our May fifth Saturday for the Arkansas State Shoot and our August fifth Saturday for "Shoot'n in the Shade". As a result we are planning a **special shoot for the first Saturday in September**. Mark September 6<sup>th</sup> as a special 1<sup>st</sup> Saturday shoot here at Outlaw Camp. It will be a Fun-day shoot so bring plenty of firearms and ammo. If we have a prop that moves, flies or breaks we will shoot it. Look for at least one "True Grit" stage that requires a rifle, four handguns and several (at least eight) shotgun rounds. Bring your own or borrow from your buddy. Bring plenty of ammo!!!!!!!

No clean matches this time but **clean stages** were shot by Chickalah Slim, Code Man, Tombstone Shadow, 1; Sweetwater Sue, Ozark Red, Strongbox Bill, 2; Ozark Outlaw, Missouri Plowboy, Wyoming Rattler, 3; Riley Roy, Bad Charlie, 4; Sundown Duke, 5.

Summer is closing fast- remember to.....
