NO CLEAN MATCHES today, but the good weather, friends, and shooting brought smiles!

Howdy again! Well our Fourth Saturday shoots continue to gain attendance, if you haven't been making it on that day, you need to!

Fun Fifth Saturday this time falls on Halloween so get ready for something special! Usual start time, with snakes, spiders, chains, ghosts, "whiskey" bottles, flying bobcats, bats, pendulums, etc. featuring some targets you probably haven't seen before. Tasty grilled burgers and all the fixing's will be the planned menu. **We would appreciate you letting us know if you are planning to make it so we can prepare for the correct number of participants.** You may e-mail [ozarkoutlaw357@yahoo.com](mailto:ozarkoutlaw357@yahoo.com) or call us at 501-362-2963, (you can leave a message). Most of the big shoots will be over and we can all shoot, have a good time, swap stories about how well we could have done! Monday we can start getting ready for Thanksgiving and Christmas. Bring that significant other and plan to hang around for a while after the shoot.

Special thanks are in order to Arkansas Harper for making some new targets available to us. They will add greatly to our range. Also thanks to Arkansas Drifter for building the shelves in the Mercantile so we can keep our loading, unloading and staging table covers a little better organized, and to Dingus Dan for putting the clips on the loading tables so we can keep the stage instructions from blowing off in the wind. And every month, a big thanks to Arnetta for making sure we all have a good lunch on shoot days. That brisket this time was great!! Thanks to Better Half who has been taking care of our ACES scoring.

Our annual awards are based on your six best shoots on a second Saturday, shot in the same category- so count 'em up. You still have November and December. At this time I don't know what type of awards the Fourth Saturday Outlaws are planning.

I have been asked again about our Outlaw Camp badges. You may order one any time you like just let me know and I will tell you what you need to do. I will need to verify that you are in fact an Outlaw Camp club member in good standing.

Stumpman has got his trailer up and going and has been bringing it to Outlaw Camp each month. He has bullets, guns, some powder and other accessories for sale as well as offering some gunsmithing services. We have a link to his web-site, K&T Guns on our website under links. If you need something you may let him know and I feel sure he will bring it to the next shoot.

Looks like I am headed for a busy week or two so that's it. Shoot straight. Shoot Fast, Have Fun and .....
