First, Red and I want to wish everyone a great New Year!

Our last shoot of 2016, January 31, was a Fun Fifth Saturday. It was a little cool and misty at times but not enough to keep us from shooting.

Starting at Ole Buck and making our way to the Little Brown Church, we shot falling plates, flying bobcats, swinging pendulums, clay pigeons and a double stage at the church. My first pistol shot of the day was a miss so I was off to a great start. Our Fun Fifth shoots give us the opportunity to do some "off the wall" things so make it a point to come on out for those special shoots! Shoot some different guns and bring plenty of ammo!

Congratulations to Turquoise Tony who was the only one to manage a clean match.

What a way to start out the new year! The weather was cool and foggy for our first regular shoot in 2017, it even rained a little but we were all nice and dry shooting out of the barn. Stumpman wrote six stages for us that were fun and fast. Arnetta had a great lunch for us! Fun day!

It was good to see Blackjack Rodes and Just Enuff Jean back on the firing line!

Two clean matches today, Ozark Outlaw and Dingus Dan Legree.

Spring will be here before you know it and we are looking forward to getting some more of our projects at the range finished up.

Remember to watch the weather for our next two shoots as the barn shooting venue will not be available in case of in-climate weather. (2017 shooting schedule is available on the calendar page of the website.) Stumpman's new vendor trailer is supposed to make it's debut at our fourth Saturday shoot, 1-28-2017.

The next annual match in Arkansas will be hosted by Judge Parker's Marshals in Ft. Smith, March 17-19. Details and entry forms are available on their website. This will be the Arkansas State Wild Bunch Championship.

Remember to get those dues in for 2017!

Once again Red and I wish you all a healthy and Happy New Year. Remember always to.....
