## **OUTLAW CAMP ANNUAL AWARDS 2020**

After shooting 4 fast stages written by Outrider (Mark Hall), the shooters and guests retired to Mack's Fish House for lunch and the awards for top shooter in a variety of categories for both the Second Saturday and Fourth Saturday shooters. Belt buckles and trophies were presented.

Following the awards presentation, Ozark Outlaw announced that as he was relinquishing monthly operation of the cowboy range. He has appointed an advisory board consisting of Tombstone Shadow, Arkansas Bell, Cajun Bandit, and Arkansas Harper. In covering all of the talking points that had been previously published, the results are shown below:

1. Annual awards will continue to be a looked for event. Shooters must shoot 10 matches per year in the same category to be eligible for an award. The type of award to be determined at a later date. Finally, Mayhem on the Mountain would not be counted as one of the 10 required matches since it is the clubs' annual match.
2. There will not be any changes to the shoot dates and times.
3. There will be no changes to the dress code or shoot times.
4. Range preparation will be the responsibility of the person writing the stages for that match. The writer may request assistance from other shooters. Outrider has volunteered to write stages for the 2d Saturday match. Others are encouraged to write stages.

5. Tombstone Shadow and Arkansas Harper will be for opening and then closing the range, to include winterization as needed.
6. Roy Sackett and Cherokee Gal will be responsible for registering shooters and keeping scoring devices up and running.
7. Range cleanup is the responsibility of all shooters, trash from each shoot cannot be left on the range.
8. Face Book entries are to be expanded. Nichols Creek and Fired Up Fanny Sue are the administrators of Outlaw Camp Face Book page.
9. Membership fees are due by 1 Jan of each year, if not paid by Feb. 1, a \$20.00 late fee will be assessed, and unpaid shooters will be charged non-member match fees.
10. Ozark Outlaw will remain the editor and will post a newsletter to the Outlaw Camp web page. He has asked all shooters to provide input in the form of a “word” document in time for a newsletter to be posted prior to the 2d Saturday match following the previous 4<sup>th</sup> Saturday match.
11. And finally, Ozark Outlaw stressed the importance of finding your own replacement, if you find out that you are not going to be able to perform a task that you have volunteered for.

It was a great match, a good lunch, and a productive business meeting. A Fun Time Was Had by All!

I don't know if you have looked at our Face Book page recently, but Fired Up Fannie Sue has done an excellent job of posting scores, entry forms for “Mayhem on the Mountain” etc.

I have made a few changes to our website but a few more need to be made. Getting around is simple compared to some I have seen.

Go to [www.outlawcamp.com](http://www.outlawcamp.com) the homepage will come up. At the top of the page are several tabs. Click on the **Contact Us** tab and on that page you will see a NEWSLETTER heading, beneath that you will now see 2020 or any other year back to 2007. Click on the desired month under the year desired and that newsletter will come up. A little further down the page you will see SCORES. under that you will

see each year and 2<sup>nd</sup> and 4<sup>th</sup> Sat. headings- just click the month under the proper year and week headings and lo and behold up they come up! Click on the CALENDAR tab for the annual schedule of events, entry form for “Mayhem on the Mountain 2020” and scores for Mayhem 2019. There is also a link to some Pictures from past Mayhem’s.

In addition and to make it one click away, you may now from the Homepage see in purple, Click here for Shoot Schedule (that has always been there) in addition, in purple you will see a link to Mayhem on the Mountain 2020, this will take you to an entry form on the Calendar page, also in purple will be Scores from 1-11-2020 this will take you to the latest scores and the date will change appropriately as needed. That is about as simple as I can make it for you!!

I have in the past e-mailed this newsletter with attached scores to all on my mailing list. I will no longer do so. If we have someone who wants it done and wants to do it let me know!

In the past scores have been posted on the website in 36 hours or less if I had the scores and had internet access. Newsletters were posted when they were done usually within a week following the 2<sup>nd</sup> Saturday shoot. If you have a contribution for the newsletter e-mail it in “word” format, so it may be edited, to [ozarkoutlaw357@yahoo.com](mailto:ozarkoutlaw357@yahoo.com) It needs to be sent prior to the third weekend each month for inclusion in that months newsletter.

Attached is a list of the winners for the 2<sup>nd</sup> Saturday shooting group for 2020

I am looking forward to 2020 here at Outlaw Camp, we have some new people stepping up to take over various positions, please be patient and assist them in any way you can, remember if you can do it better let us know!

Several of you do not have complete information for your inclusion in our membership list. A copy will be on display at the next shoot 1-25-20 so you may correct any errors you see or fill in any omissions there may be. We will try to get that out soon after the deadline for dues to be paid

Remember “Hell on the Border” is coming up March 19-21 hosted by Judge Parker’s Marshals so get your entries in!

We have at least one big construction project in the works so you can be looking for an e-mail notice from Pepper Pete as to the start date! That is about it for now..
