

Outlaw Camp Bulletin

Nov 10, 2018

“Crisp”, may be the word for Saturday. The temperature was around 32 degrees at shoot time, that’s plus or minus a couple of degrees, but the sun was out and there was almost no breeze, so it really wasn’t bad. We just built up a big fire in the fire ring and plugged up the new heaters in the bathrooms, Only ten brave souls were here but we had several at the Southeast Regional and several in the deer woods, I hope they all had success!

One clean match today, me. Okay, so I had to show them the three hits on one target, lucky I shot first on that stage. With a small group we had plenty of time to visit and enjoy what turned out to be a very pleasant day.

We are planning to have our year end party and awards December 8 here at the range, following our regular second Saturday shoot. This will include both second and fourth Saturday shooters. Cajun Bandit is planning on cooking up some tasty Cajun dish, so you can bring something to go with that if you so desire.

Plans are underway for Mayhem on the Mountain 2019. It will be the second weekend in Oct. with side matches Friday the 11th and main stages Saturday the 12th and Sunday the 13th. Let’s get the word out!!!!!!! Once again it will be the Arkansas State Black Powder Shootout (Championship) as well as smokeless categories.

The Arkansas State Championship shoot will be hosted this year by Judge Parker’s Marshals in Ft. Smith, Ar. This will be their first year to host this event planned for March 14-16, 2019. This is “Hell on the Border” and applications may be downloaded from their web-site. I suggest that you get your entry in. For those wishing to camp they have a few spots on the range but you need to check with them. There is a Corps of Engineers Park close by and there will be several staying there; It is Springhill Park.

December has five Saturdays so we will shoot Saturday Dec 29. This will be a chance to put a few rounds downrange prior to ringing in the new year. The holiday season is getting here rapidly so Red and I want to wish each and all a Happy Thanksgiving and a very Merry Christmas!

Remember always.....

“KEEP ‘EM POINTED DOWNRANGE”

OZARK OUTLAW
