Our Halloween shoot turned out to be a little damp, but we just made use of our dry shooting venue! The rain we had was very light and even quit after about the second stage but we were all in the dry and having a good time so we just continued. After we finished up our usual six stages and had lunch, great burgers and all the fixin's, (thanks Arnetta), several of us headed on down to the range to shoot a few of the special treats we had set up for Halloween. Scores are attached. We had several clean matches, Dingus Dan Legree, Mustang Toni, Outrider, Pepper Pete and Tombstone Shadow.

Yahoo is making some changes, spinning off some things, and our website is unavailable to me at the moment so the scores from our 11-14-15 shoot are not up yet. I will get them and the newsletter up as soon as I can figure out what I need to do! Bear with me!

The big shooting matches are winding down for this year and the holiday seasons are gearing up.

Our regular second Saturday shoot had perfect weather. (scores are attached). We had four clean matches, C. S. Brady, Ozark Outlaw, Lefty Ed and Shootem Dead Cheatum. Shootem Dead Cheatum is Dewey Cheatum's daughter and at 8 years old she handles those revolvers pretty well. Always good to see the youngsters shoot and learn about the safe handling of firearms.

We want to welcome a new member to Outlaw Camp, Ouachita Badman SASS 103076 AKA Tony Hicks. Welcome!

We are tentatively planning to have a get together following our December shoot 12-12-2015 for all of Outlaw Camp members second and fourth Saturday shooting groups, for a little visitation and to present our annual awards. This will be a dutch treat event to be held at a local restaurant here in the area. (to be determined). Make plans to attend and include your significant other if you so desire. Awards will be for second and fourth Saturday groups.

Our fourth Saturday shooting group does not usually shoot in December due to the Christmas holiday: However this year I have been informed by Tombstone Shadow that **if there is sufficient interest** that group will shoot on 12-26, the day after Christmas. All are welcome but if you can let Tombstone know he would appreciate it. It looks like Red and I will be here!

Thanksgiving is coming up and that gives up a reminder that we need to count our blessings daily not yearly. Red and I truly wish each of you a great Thanksgiving holiday.

We are looking forward to our year end party as a great opportunity to present our awards for the year, look back on the year, visit, and plan for next year! Always.....
