Howdy and Merry Christmas!

We had a good turnout for our last 2<sup>nd</sup> Saturday shoot of the year. It was cold but there was little wind so it wasn't bad at all. With our barrel fire going and a heater now in Madam Orr's, if needed there were places close by to warm up. There were seven clean matches shot so I guess the cold weather wasn't a great factor. Congratulations to Outrider, Ozark Outlaw, Stumpman, Mustang Toni, Lefty Ed, Tombstone Shadow and Wild Big Bill.

Pepper Pete and Sandia Z were a little later arriving than expected as he 'had' to kill the buck standing in his front yard, field dress and hang it prior to leaving the house. It's a good story, ask him. Caney Creek Annie had a story about the racoon who spent the weekend in her office, I really had intended to have her tell it at some point during our party but forgot it. The portions of the story I have heard are hilarious and as we all know she can tell a story!

A special thanks to all who helped make our year end party a success. Stumpman brought a big pot of chili while others provided the "fixin's". There were desserts everywhere! Despite not feeling well Arnetta headed up our kitchen crew with help from Caney Creek Annie and others. We had a great turn-out for our party and awards. We even had some door prizes provided by K&T Guns (Thanks Stumpman). A list of winners for 2<sup>nd</sup> and 4<sup>th</sup> Saturday shooting groups are attached.

Thanks to Arkansas Harper for once again blowing and burning leaves as well as working on the wiring for Madam Orr's and the bathroom.

Red really appreciates the help of her "Treasurer", Arkansas Bell, and "Secretary", Better Half, in signing up shooters. Maybe someday the printer and computer will work faultlessly!

Dues are due and payable as of January first, several have already paid so get your dues in. \$45.00 for both shooting groups or \$25.00 if you just want to join Second or Fourth Saturday groups only. Make checks payable to H. C. Williams. Our fourth Saturday shoot attendance continues to grow so just go ahead and join both groups.

I sometimes feel like the 4<sup>th</sup> Saturday Outlaws get a little slighted in the newsletter because I sometimes don't make any notes and sometimes I am not there. I would like to have someone volunteer to submit a write-up about the fourth Saturday shoots each month to put in the newsletter. How about you!

We have been pretty good about getting the scores for all shoots here at Outlaw Camp on the web-site within 48 hours after the shoot so check there. [www.outlawcamp.com](http://www.outlawcamp.com)

Our last shoot of the year will be a Fun Fifth Saturday on New Year's Eve, that should be a good way to wind up another year.

Once again Ozark Red and I want to wish everyone a very Merry Christmas and a happy New Year!

Be Safe and .....
