December 12, 2015

Last newsletter this year so Ozark Red and I want to wish all a very happy Holiday Season. We hope to be spending Christmas a little early with family so Christmas day should be a rather quiet affair at our house.

Tombstone Shadow has planned a shoot for the fourth Saturday Outlaws on Dec 26, so we are planning to attend. If you are planning to attend it would be nice to let him know. Traditionally the fourth Saturday group did not shoot in December but due to the way Christmas falls this year they are giving it a try!

Speaking of the fourth Saturday Outlaws, rain again dampened the November shoot, it was raining when we started and raining when we finished but everyone was in the dry! Several even had clean matches going until Chickalah Slim (stage writer for the day) decided it would be a good idea to utilize the chain, which we had inadvertently left up following the Halloween shoot, as a rifle and pistol target shooting a 1,2,3,1,2,3,1,2,3, chain, sequence with both rifle and pistol. The shooting order was shotgun, rifle, pistol. We had one (me) shooter who shot the stage with no misses. Unfortunately, I put down my shotgun and had a pistol out and cocked before anyone could stop me. That is at least the second no miss one procedural match for me this year.

Dues are due and payable again! Dues will remain the same for 2016. There are three levels of membership. Level three members shoot the second, fourth and fifth

Saturdays. Membership is \$45.00 per year and each shoot attended is \$10.00. Level two members shoot the second and fifth Saturdays. Membership is \$25.00 per year plus the \$10.00 for each shoot attended. Level one members shoot the fourth Saturday. Membership is \$25.00 per year plus \$10.00 for each shoot attended. Non-members in each group pay \$15.00 per shoot.

Last shoot in 2015 for Outlaw Camp could not have been better! Anytime you have a good overcast, 72 degree day in December you surely need to shoot!! I think it was so good that most of us were just enjoying the visiting and the nice weather and not paying much attention to shooting orders. Procedural penalties seemed a little more prevalent than usual. (I even had another no miss one P match). Stumpman is always a top shooter so I think he tried to give the rest of us a chance by missing his holster with his right pistol, dropping it on the ground, thereby receiving his stage DQ in order to help the rest of us along. We did have one shooter who kept it together long enough to shoot clean for the day, congratulations to Strongbox Bill! The weatherman had once again talked about rain chances for the weekend all week so that may have kept some away. They even had me ready for another barn shoot so I had moved, reset, and added some targets to prepare for that if needed. With the much heralded threat of rain we decided to shoot our six stages straight through with snacks about 11 AM and then go for a late lunch and awards at a local restaurant.

We were glad to see Wind Slinger was feeling well enough to come up to visit and attend our awards luncheon.

We will be making a change in the name of the category for age group 75-79 as of 1-1-2016 we have called this group "Range Boss" in the past but the more commonly used name seems to be "Cattle Baron" so we conform to that nomenclature. Abbreviation will be CBr.

Earlier today I emailed Chuckaroo's minutes of the TG Summit. Look them over there are some changes in the rules!

Thanks to Arkansas Harper and Arkansas Bell who raked and burned leaves prior to our December shoot. The range is looking good for the winter season. Arkansas Harper and I are planning a few improvements, (weather permitting), for Dec. 16 and 17, that's Wed. and Thurs., so if you can come on up and work please call me and let me know.

As this year winds down Red and I want to wish everyone a safe and happy holiday season and a healthy and happy New Year! Remember you have one more chance to shoot at Outlaw Camp Dec. 26<sup>th</sup> with the Fourth Saturday Outlaws.

Looking forward to a great year shooting in 2016! And remember.....
