OUTLAW CAMP BULLETIN

December 2010

Once again what looked to be a rainy day turned out to be a **great day to shoot!** The lighting on an overcast day is even. Arkansas Drifter had stages written which were both interesting and fast. Clean stages and clean matches are getting to be the rule here it seems and we had four clean matches this month, even with two flying birds included. Congratulations to Mustang Moore, Wild Big Bill, Short Tree, and Ozark Outlaw for clean matches. Other clean stages were shot by Tombstone Shadow, William Money, 5; The Stump Man, Arkansas Drifter, 4 ; Red River Ralph, Wyoming Rattler, Wind Slinger, 1;

Welcome to Wind Slinger AKA Dewey Spencer, **our newest member**, a new shooter who shot his first full match Saturday.

2010 is in the book and category winners at Outlaw Camp have been determined. Winners are determined by your best six regular matches shot here during the course of the year. **Awards will be given out February 12th at a brunch, courtesy of Outlaw Camp, at 9:45.** Ozark Outlaw and Ozark Red disqualify themselves for awards every year.

Congratulations to the following: Frontier Cartridge Duelist-Tombstone Shadow. Frontier Cartridge-Moondance Kid. Cowboy 1st-Lead Bane, 2nd Missouri Ruffian. Elder Statesman 1st-Arkansas Drifter, 2nd-Strongbox, 3rd-Short Tree. Gunfighter-Red River Ralph, Duelist-Wild Big Bill, Senior-Sundown Duke. Silver Senior 1st-Mo Brian, 2nd-Lefty Ed. Golden Statesman-Mustang Moore, Senior Duelist -Flint Greasewood, Lady 49r-High Card Kay.

For 2011 we will continue our regular shooting schedule, shooting the second and fifth Saturdays each month. Fifth Saturday shoots will continue to be "**Fun Day Shoots**" where we can just relax and perhaps shoot another category, try a new shooting style, shoot some team matches etc.

Dues for 2011 are due and payable. \$25.00 saves you \$5 each time you shoot here and we appreciate your support.

Don't forget January has a fifth Saturday!

Results of voting at the TG convention summarized are:

Item one. Should we eliminate the 10-second minor safety penalty for overloading a rifle? Failed.

Item two. Should we change the rule regarding empties left on the carrier or in the chamber of a long gun? Failed.

Item three. Should we create a new sanctioned shooting category "Frontier Cartridge Gunfighter". Failed.

Item four. The Burgess rifle is a SASS legal firearm. It was patented in 1882. Should the rifle regulations for B-Western be changed as follows to allow the earliest rifle to be from 1880 instead of the present 1884. Passed

Actually items number one and three had more votes for passage than against but did not make the required 2/3 majority.

By the way we have changed the score sheet to **reflect only the time scoring.** Under Final Results you see OTF or Overall Time Finish (which is how you finished overall), Final Time (your total time to shoot the match), and CTF or Category Time Finish (how you finished in your category).

Ozark Red and I want to wish you and yours all a very happy holiday season. If you are out on the road be safe! We are looking forward to seeing you all next year. Remember to.....

KEEP 'EM POINTED DOWNRANGE!
