

Outlaw Camp Bulletin

February 26, 2017

In case you haven't heard Stumpman aka Kenny Stump and Rock Rotten aka Kevin Stump, "Stumped" the competition at Winter Range by placing first and second, respectively, in the Gunfighter category at the National Championships in Phoenix, AZ. Congratulations. I don't know if brothers have ever placed in the top two spots in a category before but they have now!

It's always good to get home! As most of you know Red and I have been out of the country for about a month. I hope everyone enjoyed the nice weather we left for you. We got home on Thursday prior to our Fourth Saturday shoot and enjoyed seeing everyone, what a pretty day for a shoot! It was a little cool but really a beautiful day. Two clean shooters, Ozark Outlaw and Tombstone Shadow.

I want to thank everyone for taking care of things in our absence, especially Tombstone Shadow for covering for us, and Better Half for taking care of the scoring. Of course, if it weren't for Arnetta we wouldn't have lunch! All the scores are current on the website, and hopefully we are caught up. Thanks to J-Bar for sending me the posse pictures I will try to get them attached to this newsletter.

Judge Parker's Marshals are hosting "Hell on the Border" coming up March 17-19 so if you are planning to go get your entry in pronto! Information is available on their web-site.

A new shooting season is coming up so get those shooting irons' all tuned up and ready to go. We have a lot of work to finish up on the range so we will be asking for some help. We really need some plumbing and carpenter expertise so let me know if you can help in those areas.

Welcome to new members Mace Bishop aka Greg Bertram and Daff E Dill aka Beverly Bertram. Remember dues are now due and payable if you haven't gotten yours in.

Having served as TG for the Mountain Valley Vigilantes for many years I recently resigned. Nichols Creek aka Bruce Glover has now been selected to serve in that capacity. Good to have a little "new blood" now and then. I continue to serve as TG for Outlaw Camp. Your Territorial Governors serve as your representatives to SASS.

We are all getting a little older so from time to time we have shooters who have health problems which prevent them from being with us regularly. Know that we miss you when you are not here and that we are happy to see you when you can make it. You are always welcome and always in our thoughts and prayers.

Hoping the weather is kind to us for our next shoot Saturday March 11th. I would like to roll out our mobile stage!!!!!!

Remember to.....always!
