

OUTLAW CAMP

# OUTLAW CAMP BULLETIN

March 11, 2012

---

What can I say, another great day to shoot and a **great group of shooters** to share it with. Early in the week the weather man didn't give us much chance for anything other than rain but it could not have been a nicer day. If you were not here we missed you. We always appreciate those who bring desserts and we especially thank Sheri (Dingus Dan's wife) for setting up and cleaning up after lunch!

Here to shoot with us for the first time was **Tarantula Jack** AKA Harold Walters. Red and I have known him for about as long as we have been shooting Cowboy Action. He is one of the few shooters that has been shooting long enough to remember the first organizational shoot hosted by the Arkansas Cowboy Action Shooters Assn. in Hot Springs when the Judge, SASS #1, was there. ACASA was the club preceding the Mountain Valley Vigilantes. A big welcome to Tarantula Jack, come back to see us soon!

Congratulations to **Caney Creek Annie** on shooting a clean match. Her first clean match ever and she shot it right here at Outlaw Camp and duelist at that! Wild Big Bill and Outrider also had a clean match. I may have to order more red pins! When you see someone sporting that red pin you know they have a clean match on record here at Outlaw Camp. There are a few out there with green pins indicating those shooters have six or more clean matches on record here. Several of us fell only one clean stage short this time --Lefty Ed, Ozark Red, Wind Slinger and me Ozark Outlaw. Other shooters with clean stages were Boomer Bob,1; Arkansas Drifter, Doc Fill'em, StumpMan, Red River Ralph, High Card Kay, Moon Dance Kid, 2; Millican, Sweet Water Sue, Tarantula Jack, Tombstone Shadow, Badd Dawg Cowboy, Dingus Dan Legree, Quick Trigger, Leadville Lefty, 3; Short Tree, Mustang Moore, 4.

Next time you drive in to Outlaw Camp you will notice a **new addition** in the form of a building, a new pole barn! Just completed about the time we finished shooting on Saturday. Built for keeping farm equipment and campers in dry storage it will also be able to serve as an indoor facility should we need a dry place in case of inclement weather at events like "Mayhem on the Mountain". This along with the Pavilion should have us in great shape.

Moon Dance Kid and High Card Kay have informed me that **Long Range Rifle** will start up again next week that's **Saturday March 15 on St. Patrick's Day. (Weather Permitting)**. Registration and shooter mtg. at **10:00 AM**. Call Moon Dance if you have a question.

March has five Saturdays so **March 31 will be a "Fun Fifth Saturday" shoot here at Outlaw Camp**. We are looking forward to shooting at or around all our targets that move, swing or fly. How about Spiders and Snakes?

Strongbox came out and kept score for posse two; he continues to do well following his knee replacement. We expect to see him on the firing line soon.

As things warm up in the spring, clubs start to hold their annual shoots. Arkansas annual shoots will be noted on our Upcoming Events of Interest. **The South Fork River Regulators up in Salem, Arkansas has changed the date of their shoot this year to the third weekend in May (18-20).** This is a move from their usual April date.

**Don't forget to mark your calendar for October 12 thru 14 for our own annual shoot "Mayhem on the Mountain"** once again **the Arkansas State Black Powder shoot** we will again have awards for all smokeless categories also. We already have several entries and stage sponsors. If you would like to sponsor a stage the cost is \$50.00 and your name or business, organization or whatever you like will be displayed on that stage. We thank our stage sponsors for their support. Entries may be downloaded from the calendar page on our web-site that's [www.outlawcamp.com](http://www.outlawcamp.com) .

If you didn't get my special e-mail SASS has given Outlaw Camp a free entry to "End of Trail" to do with as we see fit. Well we "see fit" to try and see that it is awarded to one of our members who will use it. The only catch is that it must be accompanied by a paid entry. We want to award this certificate to someone by no later than April 14, so if you are interested let us know. This is an all inclusive entry, value \$250.00.

Well it's Sunday and the rain has started again so until we meet again just remember nothing bad happens if you just remember to.....
