

# Outlaw Camp Bulletin

May 13, 2018

Good attendance but only one clean match this time, congratulations to Roy Sackett!

Work continues on the range, a big thanks to those who were able to turn out for our workday. Pepper Pete has taken over the task of coordinating the work and notifying members of upcoming work days. We are really trying to get most of the work done by the end of this month so we can settle back, relax during the hot weather this summer and only have cleaning up to do prior to our shoot **'Mayhem on the Mountain'** coming up October. 12-14. The ladies have responsibility for the new rest rooms and I am anxious to see what they come up with in the way of painting and decoration! Most of our workdays have been during the week since some of us are now retired and it frees up the week end. Not wanting anyone to feel left out, our next work day is Saturday, May 19<sup>th</sup>. I feel certain that you will be receiving an e-mail from Pepper Pete with more details. There is always work to do and I usually go out every day to do something. Workers are always welcome! There is always a little cleanup to do. We have a few dead trees that could be a problem if we have a strong wind from the wrong direction and we need to get them safely on the ground. We have some preparatory work to do prior to painting. Some limbs need to be trimmed up to create some parking in the shade. If you are bored or have something you want to do at the range, just give me a call and we will find a time to do it! (I also have things to do at home and right now I am a little behind there)

Our new "Laundry Stage" made it's debut as stage 12 on the Outlaw Camp range this weekend thanks to Pepper Pete who constructed the props. Although it will have to be set up and taken down each time we want to shoot it, we now have a stage which allows some downrange movement. Since it is also out in the sun you may not see it again until cooler weather arrives.

Work continues to make "Mayhem on the Mountain" a great shoot, it will take all of us to get the job done! Spread the word and lets' get those entries pouring in! If you want to sponsor a stage please let me know, We have two or three left.

Stumpman is planning a "Reunion Shoot" possibly in September. We want to contact all our former or inactive shooters and encourage them to dust off those old cowboy guns and come on out to put a few rounds downrange. We want them to attend even if it's only to look the range over and visit old friends. If they have sold their cowboy gear, I'll bet we can find a way to let them put a few rounds downrange if they want to.

Don't forget starting in June we move to our summer schedule for all shoots through August here at Outlaw Camp. Shooter meeting at 9:00 with shoot to follow, six stages, no lunch so bring a snack if needed. We try to keep the stages fast and are usually done well before 1:00. Relaxed dress code is in effect, hat and appropriate footwear required, in between is shooters choice.

I just received word that Outrider's father passed away. He said he and his father got to watch their favorite TV show together last night, "The Rifleman". I don't have any more details at the present time. Please keep him and his family in your thoughts and prayers.

We have quite a few of our group attending "Smokin' Guns at Rabbit Ridge" over the Memorial Day weekend and we wish them all good shooting! Our fourth Saturday group may be shrunk a little but we will shoot! Just remember to.....

**KEEP 'EM POINTED DOWNRANGE**

**OZARK OUTLAW**

**Upcoming Events of Interest:**

- May 26 Sat.** Shoot "Outlaw Camp" '4<sup>th</sup> Sat. Outlaws' shooter mtg. 9:45 shoot 10:00
