

Outlaw Camp Bulletin

May 24, 2020

Thanks to those who stayed around for the tree felling following our fourth Saturday shoot. For a video [click here](#), Our new addition may now be completed without fear of at least one big pine tree falling on it. Jack High Homer was top shooter for the day and a great shoot day it was! Ozark Outlaw managed the only clean match for the day. Since returning from his knee replacement in March he has three clean matches in a row!

Until someone steps up to do some writing for the newsletter, it will be brief and irregular.

Just a note about parking at the range. The circle drive was done so everyone would have access to the pavilion area for unloading and unloading gear and as a drive should we need to get emergency vehicles in. It is not a parking area. Please do not park on the road! You may pull into the woods and park anywhere you like but please stay off the road and out of the pavilion area. Reserve the few areas where there is a little space for the truly handicapped and range officials. Thanks! As you may notice we try to keep the traditional parking areas freshly mowed

Warmer weather is on the way and we have a change in schedule starting with our second Saturday shoot in June. Shooter meeting will be at 9:00 AM with shoot to follow. We will shoot six stages straight through. Relaxed dress code also goes into effect, that is hat and appropriate footwear required. (try to remain socially covered in between)

Five Saturdays in May so we get an extra shoot in this month. We also have a workday coming up the Friday before so please plan to make it if you can. We will be putting the roof up on our new addition! We also

have a little repair and restore work to do so make it if you can. Pepper Pete will probably be sending out a notice about the workday to our regular work crew.

Shooting season is here and a lot of your shooting venues will be open so remember to get out, follow the required guidelines and enjoy!

So far scheduled shoots in the state are still on so let's support each other. First up is "Rattle Battle" at Frisco City hosted by the Arkansas Leadslingers on June 13. Applications are available on their website.

The Arkansas State Championship this year, "Shootin' in the Shade" will be hosted by Mountain Valley Vigilantes over the Labor Day weekend September 3-6-2020. Applications available on their website.

"Border Wars" is scheduled for Oct. 3rd hosted by the White River Gang in Mtn. Home. Applications available on their website.

"Mayhem on the Mountain" which will include the Arkansas State Black Powder Championship will be held here at Outlaw Camp the Second weekend in Oct. that's Oct. 9-11-2020. Entry form available at www.outlawcamp.com calendar page.

Stay safe, shoot straight and.....
