

# OUTLAW CAMP BULLETIN

June 2011

---

Congratulations to all the winners and supporters of the Arkansas State Shoot , *Pursuit by Rooster Cogburn's Posse*, held at "True Grit Single Action Shooters".

We here at Outlaw Camp are excited about "Mayhem on the Mountain" which will be the "Arkansas State Black Powder Shootout", (smokeless categories also). Scheduled this year for October 28 and 29. Details and registration forms are available on our web-site, [www.outlawcamp.com](http://www.outlawcamp.com). Our range is in good shape but we hope to make additional improvements to our range prior to the shoot. October will be here before we know it so we will be having a few workdays. Notice will be given by e-mail or phone.

What a fun group of shooters! With temperatures warming up we had a great group of shooters show up only a week after the state shoot. July and August have been relaxed dress code shoots requiring only a hat and appropriate footwear. A vote was taken at our shooter meeting and it was decided that if the predicted temperature for Heber Springs would be in excess of 90 degrees for our June or September shoots we would also allow relaxed shooting dress codes as needed.

Our targets must be too close or too big as we seem to have more clean matches shot. Perhaps our shooters are just getting better! That's okay --we like to see those red pins. This month we had four clean matches shot! Congratulations to our clean shooters, Arkansas Drifter, High Card Kay, Lefty Ed, and William Money. Clean stages were shot by Buster, Tombstone Shadow, Lead Bane, Mustang Moore, Ozark Red, Moon Dance Kid, Mo Brian, 5; Strongbox, Missouri Ruffian, Black Jack Rodes, Sweetwater Sage, Ozark Outlaw, 4; Sundown Duke, Stump Man, Short Tree, Missouri Plowboy, Red River Ralph, Deadeye Duke, Sunny Girl, 3; Chickalah Slim, Wiley Wrangler, 2; Dewey Cheatem, 1.

Arnetta put out an outstanding cold cut lunch for us with ice cream and all the toppings for dessert. What a treat on a hot day! Deadeye Duke added some cookies and Sweetwater Sue brought pie. Tombstone brought Gatorade. I hope I didn't leave anyone out. Thanks!

I forwarded "News from the Grassy Knoll" to all whom I had e-mail addresses for, and Moon Dance Kid will once again oversee a long range event at Outlaw Camp this Saturday June 18 shooter meeting at 9:45. He said something about a Buffalo hunt coming up in the future. I missed the first shoot but plan to be there this time. If you would like to try Long Range shooting contact Moon Dance at 501-362-7254.

Summer is here so dress cool and come on out to shoot with us at Outlaw Camp. We would love to see you. ....
