

Outlaw Camp Bulletin

August 10, 2019

Congratulations to Fired Up Fannie Sue and Sandia Z for finishing one and two in our August shoot. I wasn't there to witness the event, but I feel certain that the cowboys who got soundly whipped by these ladies will have some absolutely awesome excuses. I can hear the crying and whimpering now!

No clean matches and I guess there was a little rain so everything was shot from the Mercantile and High Card. I guess getting those stages connected by a roof came in handy keeping everyone in the dry.

We finally have some **video up on You Tube of "Mayhem on the Mountain 2018 Arkansas State Black Powder SASS Shoot"** by Charles Williams. It's pretty good! It's about 5.26 minutes check it out! **If you were there you are probably in it.** We will try to do it again this year and get it out in a more timely manner. <https://youtu.be/loQAHOU-qdM> should bring it up. Enjoy!

Reminding everyone that "Mayhem on the Mountain" is coming up pretty quick and if you notice on the entry form **the cutoff date for all black powder participants is September 12, 2019.** You must be a SASS member in good standing. We are required by SASS to send in a list of all Black Powder participants at that time. Later entries will be accepted but **only those black powder shooters registered by the deadline will be eligible for SASS awards!** That is only about 3 and ½ weeks away so get those entries in!

"Mayhem on the Mountain" is Outlaw Camp's annual shoot and includes the Arkansas State Black Powder Championship. We have awards for Smokeless and Black Powder categories, we are just required by SASS to provide them a list of black powder shooters about a month in advance.

We do have a few guns to give away and I think you will enjoy the shoot. We look forward to seeing you here. We have shooters from several states already registered and our food vendor from last year will return. Del Warren from James

Country Mercantile in Liberty, MO will also be here with his wares for sale, you can check out his website at jamescountry.com. Fired Up Fannie Sue and Jack High Homer recently acquired Stumpman's bullet business and should be here with bullets.

If you would please send your T-shirt size on your entry form so we can have your t-shirt ready when you register; it's free if we receive your entry before they are printed.

We will probably have a workday Friday prior to our 4th Saturday shoot so make it if you can. Pepper Pete will be sending an e-mail if we do. If you are an Outlaw Camp member plan to stay a little while after the shoot Saturday for a short meeting. It looks like the weather may cool off a little by Saturday.

Don't forget to get your entry in for "Shootin' in the Shade" hosted by the Mountain Valley Vigilantes, 8-30-19 through 9-1-19, that's Labor Day weekend. I think it may be past the cut-off date so you will need to call if interested.

"Border Wars" October 5, 2019, hosted by the White River Gang in Mountain Home Arkansas should prove to be a good warm-up for "Mayhem on the Mountain" so get your entries in for that shoot! Arkansas has been allowed to have a representative on the scoring team this year but it is an old man with limited computer skills so we will see how that turns out. As I understand it the scoring officials are not to be armed while results are being tabulated. (HeHe we will see how that turns out.)

Don't forget that Saturday will be the last shoot for 2019 with our relaxed dress code. **Starting September 14 we return to our winter schedule. Shooter meeting 9:45 shoot 10:00 with a lunch break after three or four stages.**

Entry form to "Mayhem on the Mountain" 2019 attached.

Keep shooting and always.....
