

Outlaw Camp Bulletin

August 12, 2017

The 4th Saturday shoot at Outlaw Camp in July found Red and me on our way home from a trip to the cool mountains in New Mexico! Actually, on Friday night we were in Guthrie, Oklahoma when some lady decided to set her room on fire in the Holiday Inn Express just a few rooms down from us. That necessitated evacuation of the hotel and a little excitement. Everything turned out okay.

Outrider was the only shooter who managed a clean match.

Our Fun Fifth Saturday match in July was also a make-up match for the 4th Saturday shooting group who had cancelled their regular shoot in May. If you need to see the scores for that match go to the 5th Saturday shooting scores. The July Fifth Saturday scores are also the 4th Saturday May scores. We had a couple of special guests with us from South Carolina, current world champion lady gunfighter Shamrock Sadie and Knot Hardly Dunn. We always like to have guests drop in.

Clean matches for the day: Mace Bishop and Outrider

We had a good attendance for our regular **2nd Saturday** shoot 8-12-17. I guess everyone wants to get in all the practice they can for the Arkansas State Shoot coming up on Labor Day weekend. There are still some openings so I would encourage you to get your entry in. Entries may be downloaded from the Mountain Valley Vigilantes website. Don't forget you still have one more chance to get in some practice for that match here at Outlaw Camp on Saturday August 26, the weekend before that event.

Clean matches for the day: Nichols Creek, Outrider, Smokey Joe, and Tombstone Shadow

There will be RO1 and RO2 courses offered at the Arkansas State Championship this year. Thursday August 31 at 8:00 registration will start for the RO1 class and we hope to be able to have registration for the RO2 class about 1:00. Classes will be held at the MVV range. There are two air-conditioned buildings suitable for the classes and we will have one of them. Cost for the RO1 course is \$10.00 and \$25.00 for the RO2. If it has been awhile since you were certified RO1 or RO2 I would encourage you to attend as there have been several changes to the rules and their interpretation in the last few years. There is no charge for monitoring the class, but SASS does require a \$5.00 fee for new pin if you desire one. Please let us know if you plan to attend so we may have class materials provided. Call me, Ozark Outlaw at 501-691-0088 or Nichols Creek at 501-519-0887.

September will bring back the end of our summer relaxed dress code and we will return to our regular shooting schedule with shooter meeting at 9:45, shoot 10:00, shoot three or four stages and have a lunch break, (lunch available on the range), and back to finish our stages for the day.

Work on the range has been on hold for the summer but September should bring a little cooler weather and allow us to complete some of our projects. We particularly need to finish the restrooms and Arnetta's kitchen! There are a lot of shoots around in September and October. but we will work as we can.

Entry forms for "Missouri-Arkansas Border Wars" may be downloaded from the White River Gang web-site. That shoot is coming up Saturday October 7, 2017. Details are available on their web-site. This looks like it may be a really fun match! See ya there!

Remember to **mark your calendar NOW!** for **October 12-14-2018** for the return of "**Mayhem on the Mountain**". This shoot will again incorporate the Arkansas State Black-Powder Championship. Help us spread the word!

Well that's about it for now, just.....
