

Outlaw Camp Bulletin

September 14, 2019

Only 26 days until side-matches start at “Mayhem on the Mountain” 2019. Please get your entry in ASAP. (Entry form attached.) We have a great little shoot planned complete with a few guns to give away. It is the Arkansas State Black Powder Championship, but we have awards for both black powder and smokeless powder shooters. (You do not have to be an Arkansas resident to be the Arkansas State Black Powder Champion). Each shooter will receive a free T-Shirt if you get your entry and T-Shirt size to us in a timely manner. (by Oct. 1st). Our food vendor will return from last year, and Del from James Country Mercantile in Liberty, MO , that’s jamescountry.com will be here to shoot as well display and sell his quality merchandise. It should be the debut of “Bustin’ Head Lead” Bullets, owned by Fired Up Fannie Sue and Jack High Homer. If you need bullets you might contact them at 501-556-7639 or bhlead@gmail.com and see if they could deliver them to you at the shoot.

Our shoot today was a little hot after the lunch break, but we had plenty of water and Gatorade on ice, so everyone made it okay. We had two visitors with us from the White River Gang, Bayou Bob and Dogonit. You guys are welcome anytime. It was also good to see Wyoming Rattler back on the firing line even if he did have to make an early exit due to some ammo problems.

Congratulations to Pepper Pete and Arkansas Harper for managing a clean match. Pepper Pete was the top shooter for the day. I should have the whiner award for the day. I can’t seem to inspect my ammo closely enough anymore and the split cases seem to keep showing up, this time on the last stage when the sixth rifle round wouldn’t chamber. Whine, whine, you would have thought a procedural on the second stage would have been enough!

Congratulations to all our shooters who brought home an award from "Shootin' in the Shade".

An update on Dewey Spencer, aka Wind Slinger, He continues to improve. His feeding tube has been removed, the skin grafts seem to be healing well and the graft donor sites are healing. Please continue prayers for he and his wife. Hopefully he will be able to go home soon. He was truly very badly burned.

"Border Wars" hosted by the White River Gang in Mtn. Home Arkansas is coming up Oct. 5th. This is a fun one day shoot and will give you a chance to warm up a little for "Mayhem on the Mountain" coming up the following weekend.

We have lot of shooters traveling around the country this month, some to LA some to TX some to MO but we will still shoot our 4th Sat match 9-28-19 so if you are in the area come on out and join us! Until we meet again just remember to always.....
