

OUTLAW CAMP BULLETIN

January 11, 2012

By starting on time and with all posse members working in concert, we managed to shoot six stages and finish before the heat of the day set in.

When I woke up and checked the temperature it was 17 degrees. The temperature had quickly climbed to about 24 in time for the shooters meeting and 30 degrees when we finished about 12:15. We did indeed avoid the afternoon heat.

All kidding aside we did have a great group come out on a cold day for a day of cowboy action shooting. We did take a short warm-up break down by the fire, after the fourth stage. Arnetta had a hot lunch fixed for us and we all had a chance to sit down and visit when we finished.

Arnetta and Jerry's great niece, Aurora, was visiting, and she gave great "goodbye hugs and kisses" to anyone who wanted one! Ozark Red decided she would be a "wimp" and enjoyed entertaining her while she stayed warm.

All shooters received a rose to take home for their Valentine and the ladies, of course, had their rose.

Even though it was cold we had one clean shooter. Congratulations to Outrider! He even did it the hard way shooting black powder. Other clean stages were shot by Tombstone Shadow, Ozark Outlaw, 5; Short Tree, Wind Slinger, 4; Stump Man, Arkansas Drifter, 3.

Don't forget March has a fifth Saturday so Outlaw Camp will be thinking of something fun for our "Fun Fifth Saturday Shoot"

"Mayhem on the Mountain" will be here before you know it; again this will be the Arkansas State Black Powder Championship and as last year smokeless categories will also be offered. We already have some entries in. Remember to mark your calendar for October 12-14. Entries may be downloaded from the Outlaw Camp web-site at www.outlawcamp.com.
