

# Outlaw Camp Bulletin

January 10, 2015

Just back from the SASS convention! We pulled out a little earlier than planned due to the weather forecast. We stayed until the voting was done and the results were in. Actually all the business was finished before noon on Friday. We had already decided to start home Saturday about mid-day, spend the night somewhere along the way and come on in Sunday. As it turned out we left San Antonio about 7:00 AM Saturday morning and drove straight through. The temperature hovered around the freezing mark with a light rain until we were almost to Dallas when the roads finally dried out, the rain stopped and the temperature finally got comfortably above freezing. Interstate 35 had been pretreated pretty well so we had no trouble with ice on the road. After seeing ice on the road here early this morning, I think we made a good call!

We did have a few brave the cold to come and shoot Outlaw Camp, scores are attached. Looks like Tombstone Shadow managed the only clean match for the day. Congratulations! I want to take this opportunity to thank him for looking after things in my absence. In Tombstone's note he said it was 20 degrees when they started shooting! I understand they shot all six stages prior to heading in for frito-chili pie for lunch. He also wanted to thank Arnetta, Cindy and Verla for doing lunch and desserts. I always feel like we can't thank Arnetta, and the ladies who help, enough for doing lunch.

Oh yes results of the voting at the TG meeting:

## SASS Territorial Governors Voting January 2015 - San Antonio, Texas

- 1) Should we institute the following standard for all style/costume categories when breaking them down by age? The regulations for the base category will be applied first; THEN the age limits.  
For **86.86%** Against **13.56%** Abstain **.42%** **PASSED** Effective **Winter Range**
- 2) Should we change Senior Duelist to comply with that standard?  
For **85.59%** Against **13.56%** Abstain **.85%** **PASSED** Effective **01-01-16**
- 3) Should we officially acknowledge the shooting category "Frontier Cartridge Gunfighter" as a SASS sanctioned/recognized category?  
For **86.02%** Against **13.98%** Abstain **0%** **PASSED** Effective **After Winter Range**
- 4) Should the MSV penalty for retrieving a dropped or ejected round be eliminated.  
For **63.98%** Against **35.59%** Abstain **.42%** **FAILED**
- 5) Should conflicts on costume based shooting categories ("B" Western Men's and Ladies and Classic Cowboy/Cowgirl) Costuming requirement determinations be relegated to the Costume Contest personal/judges?  
For **15.25%** Against **74.58%** Abstain **10.17%** **FAILED**
- 6) Should the Category of Grand Dame have the name changed to "Golden Girls"?  
For **14.41%** Against **81.78%** Abstain **3.81%** **FAILED**

So there you have it! All votes must be 2/3 majority to pass that is why #4 failed if you are wondering. If anyone is interested in shooting Frontier Cartridge Gunfighter at Outlaw Camp for 2015 that category will be effective NOW!

I hope everyone is off to a great start in 2015. As you may be aware January has five Saturdays so will have a Fun Fifth Saturday shoot Jan 31<sup>st</sup>. This will be the shoot where we will do our 2014 Awards presentation with a little complimentary Continental Breakfast/Brunch starting about 9:00 AM with awards at 9:45 and shoot afterward straight through. (Early arrival to register would be appreciated).

Red and I made the trip to San Antonio and the convention with Arkansas Harper and Arkansas Bell and that gave us a lot of time to visit, (maybe not a good idea), that is probably too many devious minds to put in that confined space for that period of time. At any rate we have decided to come up with a new category to try at our Fun Fifth Saturday shoot on Jan. 31. It will be called "**All Around Cowboy**". **Subdivisions** will be **Modern** which requires all black powder or black powder substitute loads. Any legal SASS revolver, double barrel shotgun, any SASS legal rifle. **Traditional** which will be all black powder or black powder substitute loads, cap and ball revolvers, Hammered or '87 shotgun and any SASS legal rifle. Shooters will be required to shoot two stages traditional (two hands), two stages duelist and two stages gunfighter style. Stages to be shot in each manner will be specified. If you want to give it a try and not get involved with black powder like a "real" cowboy, you may do so by shooting those scenarios in the "**Rexall Ranger**" category. (YEP that is drugstore cowboy). **All Around Cowboy and Rexall Ranger will require two strong side holsters** (no cross draw holsters) due to the requirements for Gunfighter category. **Of course you may shoot whatever category you wish it is after all a Fun Fifth Saturday shoot!**
