

OUTLAW CAMP

# OUTLAW CAMP BULLETIN

May 12, 2012

---

**A big thank you to Cree Vicar Dave.** He had graciously offered to do the write up for "Mayhem on the Mountain" 2011, following the match last October and submit it to the Cowboy Chronicle. Having just finished reading it in the May issue, I must admit he did a great job!

In the same issue of the Cowboy Chronicle I almost overlooked the author of the article, "**Get a Horse**". This article was submitted by one of our frequent shooters, **Big Ole Brad**. Way to go Brad! Great article!

Well, if the weather scared you off today you probably missed one of the nicer days we will have to shoot for some time. (Red even started out with her duster on) It is so dry at Outlaw Camp that I personally was hoping that we would get rained out.

We had a great group of shooters as always. Back to shoot with us were our newest members Rattler Joe and Desert Jewell. We are going to have to figure out some way to tame Desert Jewell's shotgun so it doesn't beat her up so bad. Perhaps some of those low noise, low recoil AA's would be a good place to start.

It was fun to watch Outrider shooting through those **clouds of smoke** on a damp absolutely still day, He did amazingly well. Actually he had a slight breeze on the last stage of the day.

Don't forget **Long Range Rifle competition returns** to Outlaw Camp the third Saturday, **May 19<sup>th</sup>**. Shooter Registration 10:00 AM shoot to follow.

We need to give our website a face lift and an update. If anyone of our members has any expertise in that area please let me know!

The next **annual shoot** in the state is "Last Stand at Flint Hill" hosted by the South Fork River Regulators coming up this weekend May 18 -20. This is followed by "Pursuit by Rooster Cogburn's Posse" hosted by True Grit Single Action Shooters June 1-3. If you can attend either of these shoots you need to contact them as soon as possible.

**Mayhem on the Mountain** will be here before you know it and we encourage everyone to make plans to attend. We have expanded the shoot this year and plan to repeat some of the things we did last year and add some new wrinkles as well. **Get those entries in** so we can plan the best shoot yet!

**Lessons learned** this month include, A live or spent round left on the carrier of a long gun at the end of a shooting string is a minor safety violation, (See RO1 Handbook pg. 18, #17&18) **A live round inadvertently left in a revolver is a miss**, unless it is under the hammer, then it is a stage DQ. See SASS Shooters Handbook pg.22 #10. There continues to be some confusion about this.

Congratulations to our **clean match shooter** Wild Big Bill. Other clean stages were shot by Rattler Joe, 1; Stump Man, Mustang Moore, 2; Outrider, Tombstone Shadow, Dingus Dan Legree, 3; Strongbox, Arkansas Drifter, Lefty Ed, Ozark Red, Ozark Outlaw, 4; High Card Kay, Moon Dance Kid, Riley Roy, Mo Brian, 5.

Don't forget **June 30 is a Fun Fifth Saturday** shoot here at outlaw Camp.

Summer may be here early and the shooting schedules will get hectic until sometime mid-November. Travel safe and.....
