OUTLAW CAMP BULLETIN

October 8, 2011

With the line, **“It’s a shame to shoot up a new church like this”**, Arkansas Bell indicated she was ready to be the first to shoot the new “Little Brown Church” stage at Outlaw Camp. Our new stage was finished on Thursday except for setting targets. Thanks are in order to those who spent their time and money to see that this was completed prior to “Mayhem on the Mountain”. Our crew was faithful in showing up to make sure this was finished. Very special thanks to Moon Dance Kid, Riley Roy, Millican, Arkansas Drifter, Lefty Ed, and Strongbox for their help. Arkansas Drifter furnished most of the siding for the new church as well as the High Card Hotel and the front on Williams Mercantile. Thank you Arkansas Drifter! A special thanks also to Red River Ralph and Sweet Water Sue for the bell on the new church. It takes everyone to make a great shooting club and not everyone has the same talents or resources, so we appreciate you doing what you can.

Well, things are moving along for **“Mayhem on the Mountain”** and entries are nearing our limit for this year. If you want to shoot this event you need to get your entry in, no entries will be taken after October 24th. A new event for us will be the **“Cowboy Drive-by Shoot”** on Saturday afternoon after the main stages are shot. A five dollar per run, per shooter should cover it.

We had great weather and a **great shoot Saturday**. What a fun group of shooters. We had a guest from Wisconsin, Marty Mudd, AKA Brian Martig, who owns the range where the Wisconsin Old West Shootist call home. And one new shooter -Montana Vigilante, AKA Richard Engel, who came with Wyoming Rattler. Welcome! Back this month was Tombstone Shadow, recovering from shoulder surgery; he is still not cleared for his shotgun so he shot in the Wounded Cowboy category. It was great to have him back on the firing line. Colonel Lone Wolf was also back following a tour in Afghanistan. Mississippi Gunrunner was here for the first time since his return from a tour overseas. Thanks guys for your service!

Caney Creek Annie didn’t shoot today but she was **indispensible** in helping with lunch and cleanup afterward. Thanks!

Be sure you **check the scores** for Lead Bane; once again he shot all the stages with one revolver unloading and loading it on the clock for the second revolver run. WOW! Also, please note that Tombstone’s Wounded Cowboy score did not include any penalties for not shooting the shotgun.

Well, last month we left out the clean stages but we did send an addendum to the newsletter with that information. We will not leave that out this month as **I shot a clean match**. Other clean stages were shot by Dead Eye Dick, Lead Bane, Wild Big Bill, Mo Brian, Lefty Ed, Arkansas Harper, 5; Mississippi Gunrunner, Stump Man, Mustang Moore, Marty Mudd, Missouri Plowboy, Wind Slinger, 4; Leadville Lefty, Dingus Dan Legree, High Card Kay, Riley Roy, Sundown Duke, Tombstone Shadow, Colonel Lonewolf,3; Wyoming Rattler, Short Tree, Arkansas Drifter, Sweet Water Sue, Moon Dance Kid, Millican, 2 ; Texas Rattler, Red River Ralph, Arkansas Bell, Ozark Red, 1;

Don’t forget **RO1 and RO2 classes** on Thursday October 27, prior to the shoot . Make sure you let us know if you are coming. RO1 at 9:00 AM sharp and RO2 at about 1:00 PM. Be sure to download a current version of the Shooters Handbook and the applicable RO1 or/and RO2 manual and bring it with you. We will have the test. If you are unable to download the manuals for some reason let me know as soon as possible.
