

# Outlaw Camp Bulletin June 2008

Just have to say **congratulations** to **Sundown Duke** for a clean match here at Outlaw Camp on June 14.

Red and I just got back from EOT and are trying to get caught up. I will give a short report on the goings on out there.

First I must report that our own Riley Roy is the **2008 SASS World Champion** in the Long Range Big Bore Lever Rifle event. Out of all the competitors shooting long rang rifle events he was the only one to put all ten shots on the paper. **OUTSTANDING!!!!!!!** Nail Driver repeated as the winner of the Long Range Single Shot Smokeless Big Bore event. That's pretty neat- two World Champs right here in Arkansas. The scores are up on the SASS website if you wish to see how others did. Red placed fifth in her category and I managed to shoot a clean match. I also placed third in the Best Dressed Man costume event.

Thanks to **Tombstone** again for taking care of things in my absence. He left a note asking me to thank all the cowboys present for their help in getting the range ready and helping to put things up afterward. Thanks also to Toni Stump (Stumpman's wife) for keeping score.

**Clean stages:** Strongbox Bill 5; Tombstone Shadow, Lightfinger Louie, Mo Brian, Bad Charlie, 4; Wyoming Rattler, Lefty Ed, 3; Short Tree, 1;

The weather is heating up so remember our **summer** (July and August), **dress policy**. Wear your hat and appropriate footwear and whatever you wish in between.

Mountain Valley Vigilantes are planning a **special July 4<sup>th</sup> shoot**; check their website for details.

Also remember to get your entry in for "**Shootin' in the Shade**" over the Labor Day weekend, it is filling up fast.

Let's all keep **Mississippi Gunrunner** in our thoughts and prayers as he heads back for another tour of duty in Iraq.

Looking forward to seeing everyone **July 12 for our regular shoot**.

Till then.....

**KEEP 'EM POINTED DOWNRANGE!**
