

Outlaw Camp Bulletin January 2009

I want to congratulate the three people who shot a clean match Saturday --Sure Shot Colt, Sundown Duke and Arkansas Harper. I might add that Sure Shot Colt is the first Buckaroo to shoot a clean match here. Clean stages were also shot by Tombstone Shadow, 5; TK Kid, Riley Roy, 4; Strongbox Bill, 3; Colonel Ken, 2; Dead Eye Dick, Ima Dunit, Arkansas Bell, Badd Dawg Cowboy, 1.

It was a little chilly all day but Tombstone Shadow said everything went smooth and he had lots of help with set-up and put-up.

Welcome to two new shooters here at Outlaw Camp; Colonel Ken AKA Ken Richardson and Deadeye Dick AKA Richard Brewer. We love to have new shooters. Several shooters paid dues, also.

Sorry Red and I weren't able to make it. As most of you know I had an open colon resection done January 5 and wasn't released from the hospital until January 9. I am doing well, (I suppose), but won't be back full speed for awhile. The pathology report is back and showed no malignancy in the tissue they removed. That's good! In the meantime Red started having severe pain in her right leg and we will have to find out what that is all about. The doctors think it is a pinched disc in her lower back. Thanks to all those who checked on us.

As I mentioned earlier there are quite a few rule changes and clarifications coming this year and should be available by the end of the month. (They didn't say which month). I will get the word out as soon as possible.

Don't forget our Fun Fifth Saturday shoot coming up January 31st. We always throw in something a little different. Bring plenty of guns and ammo. We will have at least one "True Grit" stage and remember if it moves, flies or falls we will shoot it. (Or around it)

'Looking forward to a great year of shooting, and remember to.....

KEEP 'EM POINTED DOWNRANGE!
