OUTLAW CAMP BULLETIN

February 12, 2011

Our 'Fun Fifth Saturday' shoot was the best weather for a shoot in awhile and it may have been the best weather we see for awhile, so we were proud of those who made it here for our 'Fun Fifth Saturday' shoot on January 29th. It was such a pretty day, (over 70 degrees in January), that we shot six stages and a team match.

We were glad to have some guests with us including Rusty Bang Stick AKA Lee Shade, from Minnesota, and No Gunz Kay AKA Kay Bensuk and her husband from Dennard, Arkansas. No Guns Kay didn't shoot but she was diligent about picking up brass for posse one. I think she does have some guns and will be back to shoot with us. We also had Joel Dunlap from Shirley, Arkansas who came down with Mo Brian and Lefty Ed to look us over. Welcome back to all!

Even though Lead Bane and Missouri Ruffian smoked us all in the team match, (who would have guessed), Bulldog McGraw and I raced to a distant second, just barely.

Team Match Results

Lead Bane/Missouri Ruffian	27.73	1 st
Bulldog McGraw/Ozark Outlaw	40.15	2 nd
Strongbox/Rusty Bang Stick	48.09	3 rd
Arkansas Drifter/Tombstone Shadow	52.90	4 th
Mo Brian/Lefty Ed	52.93	5 th
Ozark Outlaw/Ozark Red	60.24	6 th
Bulldog/Cheeka Bow Wow	63.22	7 th
Mo Brian/Arkansas Drifter	66.51	8 th
Tombstone Shadow/Wm Money	67.10	9 th
Wm Money/Coyote Creek	67.69	10 th
Arkansas Harper/AR Bell	101.79	11 th

Times are total—with misses, procedurals, senior moments, stiff joints and mechanical failures AND LOTS OF LAUGHS!

Arkansas Harper and Arkansas Bell usually make it down for our 'Fun Fifth' shoots and we always enjoy having them. They are real supporters of Cowboy Action Shooting and have been instrumental in the organization of the South Fork River Regulators and the White River Gang.

If you haven't made it to one of our shoots for awhile we miss you. Just come up and visit if nothing else.

"This seems like gunfightn' weather." That was the opening line on stage one at our regular shoot February 12. After the bad weather on Wednesday, eight inches of snow here at Outlaw Camp, the roads were clear, for the most part, on Saturday. I think everyone had been inside long enough and were ready to get outside on a pretty day.

The complimentary Brunch came off on schedule followed by **awards for 2010**. I want to give a special thanks to Sweet Water Sue and Red River Ralph for the great Breakfast Casserole they brought, also to Tombstone Shadow and Arnetta, Sundown Duke, Strongbox Bill, and Short Tree for the breakfast desserts; I hope I didn't leave anyone out. Along with the fruit plates, scrambled eggs, bacon, sausage, biscuits, jelly, and gravy I think everyone had all they needed to get them through the six stages we shot. Another special thanks to Arnetta who pitched in to do a lot of the cooking and cleaning up.

By the time we got down to the range, about 11:00, the temperature was **very pleasant** and the sun was shining. There was a little snow on the ground but the weather was great! Following the shoot we had several who hung around to shoot a new gun, try out some new loads, try some trick shots, visit, etc.

We had a few recovering from sickness or surgery here for the brunch that didn't stay for the shoot. There were also a few who just didn't want to slog around in the snow.

Congratulations to William Money and Lead Bane for a clean match. Other clean stages were shot by Tombstone Shadow, Wild Big Bill, Strongbox, 5; Mustang Moore, 4; Ozark Outlaw, Sundown Duke, Wind Slinger, Arkansas Drifter, Short Tree, 3; Stump Man, 2. Ron Woodson was back to visit with a SASS number in the 6,000 range. He was one of the early members of the Arkansas Cowboy Action Shooters Assn., the first SASS club in Arkansas. Here at Outlaw Camp we are glad to welcome him back to SASS, and Cowboy Action Shooting.

I am headed out this week with a couple of Texans for **Arizona** to shoot "Fire and Ice" and "Winter Range"; Red will be here to hold down the fort. I will be attending the Territorial Governors meeting while there.

We want to **thank** Moon Dance Kid and High Card Kay for bringing out a copier, printer, scanner, combo for us to use at Outlaw Camp to copy posse sheets etc. as needed. Thanks! They even brought out some paper and ink cartridges for it.

Don't forget **annual club shoots** in the state, the first will be "Last Stand at Flint Hill" hosted by the South Fork River Regulators in Salem, Arkansas. Dates are April 15-17, check their web-site.
