4th Saturday shoot cancelled for 5-23-15 will be made up at "Fun Fifth" 5-30-15

No report from Stumpman this time but I understand his shotgun clinic was well attended and informative. I think he has plans to continue these shooting clinics in the future from time to time. He has been a real student of Cowboy Action Shooting since picking up the game and is more than willing to share his knowledge.

A great big THANKS to Skaguay Pearl for doing a newsletter and the scores for the 4th Saturday shooters, and to Tombstone Shadow for taking care of the regular Second Saturday shoot.

What a trip! Great to be home! Red and I flew out on Friday prior to the 4th Saturday shoot and were somewhere over the Atlantic ocean while the 2nd Saturday shoot was going on. The scores are up on the internet and attached here.

I must admit that when I went out to the range on Sunday I was faced with a new challenge as far as the scores were concerned. Having two posse's and each posse shooting three different stages (posse one had a stage with only two shotgun while posse two had one stage with a lot of movement and six shotgun) there is really no way to do a winner for the day. The scores are all there so if you want to see how you did on your posse you may total them up for yourself. Four shooters took advantage of the short day to add to their total of clean matches for the year. Clean shooters for the day were Arkansas Drifter, Short Tree, Wild Big Bill and Sundown Duke, who continues to extend his consecutive clean match streak.

Three new shooters were welcomed to Outlaw Camp, Cornbread Dan aka Danny Cummings, Jack Rabbit, aka Anthony Godwin and Hot Shot Cotton aka Cotton Cummings. Welcome to Outlaw Camp!

I have an update on Missouri Plowboy, some of you may know that he had some back surgery scheduled for last week. I received an e-mail informing me that the surgery had gone well and he is expected to make a full recovery. It looks like he will out for about six months however. Keep him in your thought and prayers. Also you might have missed Wind Slinger for the past couple of months, he has had complications following some surgery so keep him in your prayers also.

The Fourth Saturday Outlaws have decided to cancel their shoot scheduled for Saturday May 23 as several will be attending "Smokin' Guns" in Byhalia, MS. However since May has five Saturdays we have decided to use our "Fun Fifth Saturday" as a make-up day for that shoot. We will also use that for a make-up shoot for our regular second Saturday shoot which was cut a little short due to the rain that came through. This will give everyone an opportunity to get in two shoots at the same time as your scores will be counted toward awards for both groups.

We will try to make sure that our Fifth Saturday shoot this month is really special. Keep in mind that our Fifth Saturday shoot in May will be the last one prior to going to our summer schedule and dress code in June. **You can always check the calendar page on the web-site for details.** Due to the heat in June, July and August we have our shooter meeting at 9:00 AM, shoot to follow, no lunch provided and for those who wish, we usually try to go out somewhere to eat. We try to keep the stages short so we can

be through by 12:30 or 1:00 PM. Please try to get there in time to register at least 15 minutes prior to shooter mtg.

We have several interested in ordering an Outlaw Camp badge and I am trying to contact our supplier to get a current price but haven't heard back at this time. If you are interested please let me know! 501-362-2963 or ozarkoutlaw357@yahoo.com
