

# Outlaw Camp Bulletin

September 2010

Yes it rained and yes it stopped on schedule just before the shooter meeting. It was a little hot and muggy but we had a good shoot.

Arnetta had a great lunch with some of the best brisket around. Thanks from all of us!

We had a few new shooters, Swifty Coaltrain, Swifty's Sassafras, and Rusty Ford; we welcome them and family to Outlaw Camp. It was Swifty's Sassafras's first time to shoot, even though she is a costume winner (Soiled Dove), from last year at the Missouri State Championship in Branson Mo. Welcome!

Our October shoot will be a little special as we are having a special event after the shoot. Following the shoot about 5:00 or 5:30, for those who wish to stay, we are going to have a bison burger cookout, compliments of Outlaw Camp. Burgers will be furnished and you may bring chips, dip, or desserts if you like. You may also bring your beverage of choice. We have plenty of dry camping on the range and camping on Greer's Ferry Lake with electric hookups are only five minutes away! Bring the family and let's have a party! You need to let us know however if you plan to bring guests as we need an approximate head count. (Call Ozark Red or Ozark Outlaw at 501-362-2963) We will have a couple of team matches or "True Grit" stages to fill in the time for those who want to shoot more. You can always come up and 'chill out' or 'warm up' as the case may be.

October has a fifth Saturday so don't forget our Fun Fifth Saturday shoot. You never know when a new target will show up! Bring plenty of ammo! Good practice for the Southwest Regional at Badlands Bar Three. It will also be Halloween eve so we should have some particularly fun and 'evil' stages.

Congratulations to my favorite shooter, Ozark Red. She has wanted to shoot Outlaw Camp clean for years and she finally did it! Look for her red pin! Also shooting clean for the day were Ozark Outlaw and Wild Big Bill, other clean stages were shot by Missouri Ruffian, Tombstone Shadow, Dingus Dan Lagree, Mo Brian, and Lefty Ed, each with five clean stages. Lead Bane had four, Mustang Moore, Wyoming Rattler and Mississippi Gunrunner each had three and our new shooters Swifty's Sassafras and Rusty Ford each had a clean stage. Maybe our stages are getting too easy. No, just our shooters are getting better.

We continue to have an interest in the Wild Bunch category Mississippi Gunrunner shot that category this time.

Several of our regular shooters are going out of state this fall to big shoots and we wish them all well. We know they will be great ambassadors for Outlaw Camp and Cowboy Action Shooting.

Prior to lunch as we were leaving the range, Swifty Coaltrain and his wife spotted an Armadillo under some old tin roofing. After lunch they continued the search and Swifty in fact ran the Armadillo to a hole and had him trapped under his foot when I was returning to the range. The Armadillo was part-way in his hole and due to the angle Swifty was unable to remove him from the hole. At this point I saw Wild Big Bill nearby and asked him if he had a gun handy. The Armadillo was no match for Wild Big Bill who extricated him from the hole and made short work of him. Thanks to my Armadillo eradication team!

Well that is about it for now we are having the carpet in our house replaced this week so I need to get this all done before I have to move computers printers etc. See you down the trail, Remember to.....
