

Outlaw Camp Bulletin July 2008

Congratulations to Strongbox Bill and Sundown Duke for shooting a clean match on a hot day. Strongbox said it was his first clean match and Sundown Duke may be the first to shoot clean matches two months in a row here. **Good Job.**

Tombstone Shadow had 1 miss on the last stage-that's a "bummer"! Mo Brian was clean until the last stage, also. Other clean stages were shot as follows: Mississippi Mack, Lefty Ed, 4; Badd Dawg Cowboy, J-Bar, Red River Ralph, Arkansas Drifter, Dakota Vigilante, Ozark Outlaw, 3; Missouri Plowboy, Sweetwater Sue, Ozark Red, Sidewinder, 2; Butlerville Kid, 1.

We also had a Buckaroo with us --"Texas Rider". Welcome!

I really don't have much to report this time. For the last couple of months we have written stages a little differently to try and accommodate different shooting styles and preferences. It seems to have been well received. If you shot here and have any comments you have not stated, let me know.

Don't forget "Shootin' in the Shade" coming up Labor Day weekend; they are "filling up". Get your entry in if you plan to attend. If you need an entry form, you can print one off their web-site.

Due to "Shootin' in the Shade" we will not hold our Fifth Saturday shoot in August.

There is a Gun Show scheduled here in Heber Springs August 23rd and 24th. We are planning to rent a table and set up to promote Cowboy Action Shooting and Outlaw Camp at least on Saturday the 23rd. If you would like to join us let me know.

Otherwise we will look forward to seeing everyone Saturday August 8th, till then just.....

KEEP 'EM POINTED DOWNRANGE!
