

# Outlaw Camp Bulletin May 2008

Thanks to **Mustang Moore** for hauling back two big pieces of steel from New Mexico so we could make our two new rifle targets for stage three. We have them suspended from chains and they sound really good! Thanks also to Strongbox Bill for help in digging postholes and hanging those heavy suckers. (I dropped one on my toe!)

We had a **great day to shoot** and took advantage of it. We had a little storm come through about 6:30 P.M. but had no damage to the range. Due to the spring rains we have had some damage to the road coming in, but if the weather holds up next week it should be back up in shape soon. It is not bad but it could be better as those who came to shoot can attest.

Thanks to Arkansas Drifter and others who helped set-up and clean-up prior to and following the shoot. Arnetta's sloppy Joes were great, especially as it was a little cool outside.

Remember we are not having our regular Fun Fifth shoot in May as it conflicts with the Arkansas State Championship this year. Maybe we can make it up with a two-day shoot later.

We had **two visitors**, Nichols Creek Ranger AKA Bruce Glover who is in the Army and stopped by to shoot with us in between duty station assignments, with his wife Donna. We hope to see you back when you can make it. He has been shooting with the Short Grass Rangers out in OK.

**Congratulations on Clean stages:** Blackjack Bart, Mustang Moore, Short Tree, Red River Ralph, Just Enuff Jean 1; Sweetwater Sue, Missouri Plowboy, Lefty Ed, Ozark Red, Lightfinger Louie, Riley Roy, Strongbox Bill, Tombstone Shadow, Black Jack Rodes, 2; Arkansas Drifter, 3; Mo Brian, Wild Big Bill, Des Ark, 4; Ozark Outlaw, 5.

Several from Outlaw Camp attended the Texas State shoot at Oakwood Outlaws. Ozark Red and I along with Mustang Moore and Arkansas Drifter had a good time. Ask Mustang how he likes the Golden Statesman category.

Well the **Arkansas State** shoot will be here before you know it and if you haven't got your entry in I encourage you to do so. Also remember the special Fourth of July shoot at MVV, they were going to limit it to seventy five shooters and it may well already be full, check if you are interested.

Remember the basic safety rule.....

**KEEP 'EM POINTED DOWNRANGE!**

**OZARK OUTLAW**

## Upcoming Events of Interest

Sat. May 17 Long Range Rifle "MVV" reg. 9:30 shoot 10:00

Sun. May 25 "True Grit" shooter mtg. 9:45 shoot 10:00
