OUTLAW CAMP BULLETIN

October 12, 2010

What a great group of shooters we had here for our regular October shoot. We shot three stages, had lunch, shot three more stages and then held a team match for those who needed to shoot some more. It was a beautiful day; we do need some rain however. After it was all over we grilled some bison burgers and I think everyone ate all they wanted. Several non-shooter wives showed up and even a couple of grandkids. Thanks to all who brought beans, chips, dip, desserts and munchies to add to the burgers. Red sent frozen bison home with everyone except Strongbox, because he shot his own!

We had some new shooters to Outlaw Camp this month: William Money AKA Scott Kellet and Coyote Creek Hoolihan AKA Rory Kennihan. Also here for his first Cowboy Shoot was Concord Kid AKA Kenneth Thompson. We trust you felt welcome, we were glad you were here and hope to see you again, if there is anything we can do to assist you let us know. We also had a couple of spectators, we hope to see you back also.

Missouri Ruffian cleaned the six stages with no procedurals! Clean stages were shot by the following: Black Jack Rodes, Stump Man, Doc C Good, Red River Ralph, Just Enuff Jean, Flint Greasewood, Concord Kid, 1 ; William Money, Tombstone Shadow, J Bar, Sweetwater Sage, Sweetwater Sue, Rattlesnake Rowan, Wyoming Rattler, 2; MoonDance Kid, Outrider, Buster, 3; Mustang Moore, Wild Big Bill, Strongbox, High Card Kay, Sunny Girl, Ozark Red, Ozark Outlaw, 4; Lefty Ed, Lead Bane, Arkansas Drifter, 5.

A short report on those Outlaw Camp shooters who have been out of state shooting: Arkansas Drifter, Mustang Moore, and Mo Brian all went to Louisiana while Ozark Red and I along with MoonDance Kid and High Card Kay, Arkansas Harper and Arkansas Belle attended a shoot in Kansas. Everyone brought home an award or two. MoonDance Kid and High Card Kay each won a side match as well as placing in their category. Arkansas Harper won a cash prize for shooting the fastest clean match in addition to placing in his category. If I overlooked someone I am sorry. We had some shooters attending another match in Louisiana this past weekend.

Well it looks like it is time again for the TG convention in Las Vegas and the rule changes up for consideration are in the latest TG Bulletin. From the SASS homepage on the left side of the page click on Territorial Governors, Then from the next screen click on Territorial Governor's Bulletin Archive, then on the next screen under 2010 click on October 2010, now scroll down to page three for the agenda and let me know what you think! You might try <http://www.sassnet.com/Downloads/tg/TGBulletin1010s.pdf> then scroll down to page three.

Don't forget the fifth Saturday this month, it falls on Halloween eve so our "Fun Fifth" Saturday match will have a special little flair to it especially if I can figure out how to make that witch fly. Hmmm I wonder how it would be to shoot some spiders or dancing ghosts.

Let's all be thinking about Arnetta; she is scheduled for surgery October 19 at Baptist Hospital in Little Rock. Although not a shooter she is truly a fixture at three clubs in Arkansas. She prepares lunch for us here at Outlaw Camp and is the prime mover for lunch at True Grit; when you shoot at MVV you will always see her helping out where ever she is needed. Thanks Arnetta and we wish you well! Red says a really big thanks for helping with the bison cook!

It is fall and there are a lot of cowboy shoots around. We also have a lot of cowboys and cowgirls who will be out hunting. Good shooting and good hunting. As another year winds down be careful in your travels and remember to be safe, shoot straight, and have fun. Always.....

KEEP 'EM POINTED DOWNRANGE!
