OUTLAW CAMP BULLETIN

Red and I had a great trip, except for the flying part. I had no idea there were 68 locks to pass through from Budapest, Hungary to Amsterdam. I saw so many old churches they have all blended together.

Our May Fun fifth Saturday shoot was just that, fun! We did some things a little different and shot some smaller, farther targets on a couple of stages. I think I have that out of my system for awhile. The weather looked a little "iffy" and we had set targets up to shoot out of the barn if needed but the weather held off and it turned out to be a great day to shoot.

Thanks to Pepper Pete, Sandia, Arkansas Harper and Arkansas Bell for taking care of the June shoot! Pepper Pete said he was after Stumpman until the last stage when he sort of fell apart. It was good to see that Arkansas Drifter felt like shooting and made it all day. Millican was here and we haven't seen him for awhile, he managed a clean match! Speaking of clean matches we had three, Millican, Lefty Ed, and Short Tree, congratulations guys! Other clean stages were shot by Cajun Bandit, Sandia, 1; Jo Jo Pepper, Arkansas Bell, 2 ; Missouri Plowboy, Mustang Moore, Arkansas Harper,3; Sundown Duke, Stumpman, Doc Fill em, Arkansas Drifter, Deadwood Dutch, Wind Slinger, Badd Dawg Cowboy, 4; Short Tree, Pepper Pete, Strongbox, 5;

It's that time of year and we have several shooters who travel around quite a bit, so just know that we miss you when you are not here and hope you shoot well wherever you are.

I know that the decision by SASS to suspend the hard copy of the Cowboy Chronicle and go to digital format has made it impossible for those without computer access to read it and I hate that. I find that I don't look at it like I once did, it's harder to carry a computer around while you read, and I can't recline. At any rate I do wish those who can, would read Tex's comments in the June issue concerning the rules.

Summer is here! Remember June, July and August bring about a few changes in schedule. Gate open and registration starts at 8:00AM, shooter meeting is at 9:00 AM and shoot to follow, six stages straight through, no lunch available. We are usually through by 12:30 or 1:00 PM. Also due to the summer heat we have a relaxed dress code. You must wear your hat and appropriate footwear.

The Arkansas State Championship hosted by Mountain Valley Vigilantes will be coming up Labor Day weekend , that's August 29-31 this year, so get your entries in. We will not have our regular "Fifth Saturday" shoot here in August.

Good luck to our shooters who are at EOT this week! Along with the rest of us I hope they remember to..
