

Outlaw Camp Bulletin

June 13, 2015

Congratulations are in order to Skaguay Pearl! She shot her first clean match ever at Outlaw Camp on June 13, 2015. Also shooting clean were Dingus Dan Legree, Mo Brian and Tombstone Shadow.

The weatherman had predicted the possibility of some afternoon showers. We decided to shoot in two smaller posses and were finished about noon. While the scores were being tallied Stumpman held a rifle clinic for those who were interested, it was well attended and informative. Thanks Stumpman for sharing your expertise!

With warmer weather here remember we have a relaxed dress code during the summer months and there is always a water cooler close by. We also have air conditioning in the clubhouse if anyone gets too hot. We start a little earlier, shooter meeting at 9:00 so we can get our shooting in by shortly after noon and before the heat of the day. Today several of us enjoyed lunch at a local restaurant only a few minutes from the range.

Our fifth Saturday shoot was also a make-up day for the fourth Saturday cowboys due to the cancellation of their shoot 5-23 and a make-up shoot for the rain shortened second Saturday shoot 5-9. Ozark Outlaw was the only one who managed a clean match with all those moving targets.

There are a lot of bigger shoots this time of the year and a lot of our members enjoy traveling around the country to shoot. Arkansas shooters did very well at the Mississippi state shoot over Memorial Day weekend. We want to wish all who are attending End of Trail good luck and safe travel!

The Fourth Saturday group of Outlaw Camp Cowboys will be shooting June 27 so plan on being here!

We would like to get our badge order in as soon as possible so if you want to be included send a check to H. C. Williams, 159 Country Aire Drive, Heber Springs, AR 72543 for \$118.75 per badge along with your alias and SASS number as you want it to appear on the badge.

This is a little short this time but I did want to remind everyone to shoot fast, be safe and.....
