

Outlaw Camp Bulletin August 2009

Congratulations to **Red River Ralph, shooting Gunfighter**, he shot his first clean match August 8, 2009 right here at Outlaw Camp. He was the only one to shoot clean.

Clean stages were as follows: Sweetwater Sue, Riley Roy, 5; Ozark Red, Lead Bane, Mo Brian, Lefty Ed, 4; Tombstone Shadow, Arkansas Drifter, TK Rectifier, Sorry Shot, Wild Big Bill, Pumpkin Ball, Ozark Outlaw, Strongbox Bill, 3; Missouri Plowboy, Bill Gunner, Missouri Ruffian, Campbell Soup Kid, Rip a Lot, Caney Creek Annie, The Russian, 2; Flint Greasewood, Backshooter, Outrider, 1; (Straight Jacket had to leave early, so he has DNE's.)

Welcome to two **new shooters** to Outlaw Camp, Flint Greasewood, a Colorado cowboy who is presently working in our area and came to shoot with us, and Bill Gunner AKA Hunter Bradley, a Buckaroo, who is Tombstone Shadow's nephew. It's great to have some buckaroo shooters! We are always glad to see new shooters. Welcome!

Summertime is always a little warm in Arkansas and we do shoot with a relaxed dress code. Since we have a **Fifth Saturday this month**, we decided to do something a little special. The stages have already been written and it should be a "hoot". In addition to six regular stages, we have ready a "True Grit" stage and a Team Match. As always we plan to shoot everything that falls, moves or flies. We have pistol and rifle knockdowns, of course shotgun knockdowns and targets to shoot around as well as swinging targets. Some shooters have indicated they want to shoot the match "Wild Bunch" style and some have requested an "Urban Cowboy" shoot. I am just waiting for someone to request a "Josey Wales" category. (Four Pistols). The point being that a "Fun Day" match is about having fun; yes, we keep score but the results of this match do not count toward year-end awards. Do you want to shoot one or more stages Gunfighter? Duelist? , Wild Bunch? Would you like to shoot one percussion pistol and one 1911? These shoots are about having fun! Try that new gun, Try a different shooting style, Switch back and forth. You may shoot as much or as little as you like. Are you hot and tired? Sit a stage or two out, that's fine. **HAVE FUN!!!!!!!!!!!! All ammo must meet SASS specifications. Bring plenty of ammo!**

Somewhere about late-afternoon, (some may still be shooting) we are planning an **Ice Cream Social**, sort of Pot Luck style. We will have Ice Cream and you bring your favorite toppings to share. If you have an Ice Cream Freezer and want to make it bring all you need and we can go for ice.

If you would like to join us for the weekend we have plenty of **room for dry-camping**. We have no other formal activities planned but you know that when we all get together we will come up with something. We can always just sit and watch the deer and turkeys, if nothing else. Let us know if you are coming and about what time you expect to arrive. It is only a few minutes to Heber Springs Park on Greers Ferry Lake. If you want a campsite on the lake with water and electric, some of those sites can be reserved. Some are first come first served.

Any questions , call me at 501-691-0088.

"Shootin' in the Shade" is right here. I understand it is full but you might call and see if they have a waiting list, if you are not entered and want to attend.

If you enjoy shooting at freshly painted targets at our shoots, don't forget to thank **Arkansas Drifter** for his efforts. He keeps the targets painted and does a lot of the set-up and clean-up each shoot as well. I haven't even mentioned the work he does in helping to keep the targets and range maintained. Thank him and ask him what you can do to help. Thanks to all who help!

I had fun today! I got to visit with my friends, old and new, and shoot my cowboy guns. Until we can do it again, just remember that nothing bad happens if you.....
